11. CONFIRMATIONS OF OWNERSHIP/SHARE CERTIFICATES

Every Holder shall receive written confirmation of ownership in respect of his holding of Shares within such period as the Directors may determine from time to time (as disclosed in the Prospectus) after receipt of payment for the shares in question and the necessary documentation or lodgement of a transfer (or within such other period as the terms of issue shall provide). The Company shall not be bound to register more than four persons as joint Holders of any Share (except in the case of executors or trustees of a deceased member). Notwithstanding any other provisions of these Articles and unless the Directors determine otherwise no Holder shall be entitled to request or receive a Share certificate in respect of shares in the Company. Share certificates (if any) shall be signed by the Depositary (whose signature may be reproduced mechanically or electronically), and shall specify the number, class and distinguishing number (if any) of the Shares to which it relates and that such Shares are fully paid.

12. BALANCE AND EXCHANGE CERTIFICATES

- 12.1. Where only some of the Shares comprised in a Share certificate are redeemed, transferred or exchanged the old certificate shall be cancelled and the new certificate for the balance of such Shares shall be issued in lieu without charge.
- 12.2. Any two or more certificates representing Shares of any one class held by any Holder at his request may be cancelled and a single new certificate for such Shares issued in lieu, without charge unless the Directors otherwise determine. If any Holder shall surrender for cancellation a Share certificate representing Shares held by him and request the Company to issue in lieu two or more Share certificates representing such Shares in such proportions as he may specify, the Directors may comply, if they think fit, with such request.

13. SHARE WARRANTS

The Directors may issue warrants (hereinafter called **share warrants**) stating that the bearer is entitled to the Shares therein specified, and may provide by coupons or otherwise for the payment of future dividends on the Shares included in such warrants. The Directors may determine and from time to time vary the conditions upon which Share warrants shall be issued subject to the provisions of Section 1019 of the Companies Act 2014. The Directors may also determine and from time to time vary the conditions upon which the bearer of a share warrant shall be entitled to receive notices of and attend and vote at general meetings or to join in requisitioning general meetings and upon which a Share warrant may be surrendered and the name of the Holder entered in the Register in respect of the shares therein specified subject to the provisions of Section 1019 of the Companies Act 2014. Subject to such conditions and to these Articles, the bearer of a share warrant shall be a member of the Company to the fullest extent. The holder of a share warrant shall hold such warrant subject to the conditions for the time being in force with regard to share warrants whether made before or after the issue of such warrant. Every share warrant shall be issued under the Seal in accordance with Article 82.

14. REPLACEMENT OF SHARE CERTIFICATES AND SHARE WARRANTS

If a Share certificate or share warrant is defaced, worn out, lost, stolen or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity and payment of any exceptional expenses incurred by the Company in investigating evidence or in relation to any indemnity as the Directors may

determine but otherwise free of charge, and (in the case of defacement or wearing out) on delivery up of the old certificate or warrant.

15. OTHER METHODS OF RECORDING TITLE

Nothing in these Articles shall preclude title to any Shares of the Company being recorded other than in writing in accordance with such arrangements as may from time to time be permitted by the Companies Act and approved by the Directors.

TRANSFER OF SHARES

16. FORM OF INSTRUMENT OF TRANSFER

Subject to such of the restrictions of these Articles and to such of the conditions of issue as may be applicable, the Shares of any Holder may be transferred by instrument in writing in any usual or common form or any other form which the Directors may approve.

17. EXECUTION OF INSTRUMENT OF TRANSFER

The instrument of transfer of any Share shall be executed by or on behalf of the transferor, save that if the Share concerned (or one or more of the Shares concerned) is not fully paid, the instrument shall be executed by or on behalf of the transferor and the transferee. The transferor shall be deemed to remain the Holder of the Share until the name of the transferee is entered in the Register in respect thereof.

18. PAYMENT OF TAXATION UPON TRANSFER

The Directors may redeem and cancel a sufficient portion of the transferor's Shares to discharge any taxation payable to the Irish tax authorities in respect of a transfer of Shares by a Holder who is or is deemed to be a Taxable Irish Person or acting on behalf of such person.

19. REFUSAL TO REGISTER TRANSFERS

19.1. The Directors in their absolute discretion and without assigning any reason therefor may decline to register any transfer of Shares provided that the Directors may only refuse to register a transfer in the following circumstances:

- 19.1.1. any transfer of a Share to a person who is not a Permitted Investor;
- 19.1.2. any transfer to or by a minor or person of unsound mind;
- 19.1.3. any transfer unless the transferee of such Shares would following such transfer be the holder of Shares with a value at the then current Subscription Price equal to or greater than the Minimum Initial Subscription;
- 19.1.4. any transfer in regard to which any payment of taxation remains outstanding;
- 19.1.5. any transfer to a person or entity who or which does not provide all necessary anti-money laundering documentation or clear such anti-money laundering checks as the Directors or their delegate may determine;
- 19.1.6. any transfer where the transferee has failed to provide the Company or its agent with any documentation reasonably required by the Company or its agent;

- 19.1.7. any transfer to a person or entity who failed to provide the Company with a completed application form or who breached or falsified representations on subscription documents or failed to provide information requested by the Company or its agent; or
 - 19.1.8. any transfer to a person who, by holding Shares, would be in breach of any law or requirement of any country or governmental authority or might result in the Company incurring any disadvantageous regulatory liability, liability to taxation or suffering pecuniary disadvantages.
- 19.2. Without limiting the generality of the foregoing, the Directors may decline to recognise any instrument of transfer unless the instrument of transfer is:
- 19.2.1. accompanied by the certificate for the Shares to which it relates (if issued) and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer;
 - 19.2.2. in respect of one class of Share only;
 - 19.2.3. in favour of not more than four transferees; and
 - 19.2.4. lodged at the Office or at such other place as the Directors may appoint.
- 19.3. No Holder may create or permit to subsist any Encumbrance on or affecting any Shares held by such Holder without the consent of the Directors which may be withheld in their absolute discretion without assigning any reason for such decision.

20. PROCEDURE ON REFUSAL

If the Directors refuse to register a transfer then, within two months after the date on which the transfer was lodged with the Company, they shall send to the transferee notice of the refusal.

21. CLOSING OF TRANSFER BOOKS

The registration of transfers of Shares or of transfers of any class of Shares may be deferred at such times and for such periods (not exceeding thirty days in each year) as the Directors may determine.

22. REGISTRATION FEES

A fee of not more than €10.00 may be charged in respect of any transfer or for the registration of any instrument of transfer or other document relating to or affecting the title to any Share.

23. RETENTION OF TRANSFER INSTRUMENTS

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

24. RENUNCIATION OF ALLOTMENT

Nothing in these Articles shall preclude the Directors from recognising a renunciation of the allotment of any Shares by the allottee in favour of some other person provided such other person is a Permitted Investor.

25. COMPULSORY TRANSFER OF SHARES

The Directors shall have the power to arrange for the compulsory transfer of Shares acquired by or on behalf of a person who is not a Permitted Investor or who has failed to furnish the Directors such evidence and/or undertakings to be furnished to them as they may require for the purpose of any restriction imposed for compliance with any anti-money laundering provisions applicable to the Company in accordance with the provisions set out in clause 18 of Appendix 2.

TRANSMISSION OF SHARES

26. DEATH OF HOLDER

If a Holder dies the survivor or survivors where he was a joint Holder, and his personal representatives where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the Shares; but nothing herein contained shall release the estate of a deceased Holder from any liability in respect of any Share which had been jointly held by him.

Notwithstanding any other provisions of these Articles, where the Company is required to pay any tax as a consequence of the transmission of Shares (e.g. on death of the Holder), the Company shall be entitled to deduct an amount equal to the tax attributable to such transmission.

27. TRANSMISSION ON DEATH OR BANKRUPTCY

Any guardian of an infant Holder and any curator or other legal representative of a Holder under legal disability and any person entitled to a Share in consequence of the death or bankruptcy of a Holder may elect, upon such evidence being produced as the Directors may properly require subject to Section 96 (5) of the Companies Act 2014, either to become the Holder of the Share or to make such transfer thereof as the deceased or bankrupt Holder or Holder under a disability could have made. If he elects to become the Holder he shall give notice to the Company to that effect and supply the Company or its agent with whatever documentation and/or information as the Company or its agent reasonably requests. If he elects to have another person registered he shall execute an instrument of transfer of the Share to that person. All of these Articles relating to the transfer of Shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the Holder and the death or bankruptcy or disability of the Holder had not occurred.

28. RIGHTS BEFORE REGISTRATION

A person becoming entitled to a Share by reason of the death or bankruptcy of a Holder (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the Holder of the Share, except that, before being registered as the Holder of the Share, he shall not be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of Shares in the Company, so, however, that the Directors, at any time, may give notice requiring any such person to elect either to be registered himself or to transfer the Share and, if the notice is not complied with within ninety days, the Directors thereupon may withhold payment of all dividends, bonuses or other moneys payable in respect of the Share until the requirements of the notice have been complied with.

ALTERATION OF SHARE CAPITAL

29. INCREASE OF CAPITAL

- 29.1. The Company from time to time by ordinary resolution may increase the share capital by such amount and/or number as the resolution shall prescribe.
- 29.2. Subject to the provisions of the Companies Act and these Articles, the new Shares shall be issued to such persons, upon such terms and conditions and with such rights and privileges annexed thereto as the Directors shall determine.

30. CONSOLIDATION, SUB-DIVISION AND CANCELLATION OF CAPITAL

- 30.1. The Company, by ordinary resolution, may:
- 30.1.1. consolidate and divide all or any of its share capital into shares of larger amount;
 - 30.1.2. subject to the provisions of the Companies Act, subdivide its Shares, or any of them, into Shares of smaller amount or value, (and so that the resolution whereby any Share is subdivided may determine that, as between the Holders of the Shares resulting from such sub-division, one or more of the Shares may have, as compared with the others, any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new Shares);
 - 30.1.3. cancel any Shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the Shares so cancelled; or
 - 30.1.4. redenominate the currency of any class of Shares.

GENERAL MEETINGS

31. ANNUAL GENERAL MEETINGS

The Company shall hold in each year a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notice calling it. Not more than fifteen months shall elapse between the date of one annual general meeting and that of the next **PROVIDED THAT** so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent annual general meetings shall be held once in each year.

32. EXTRAORDINARY GENERAL MEETINGS

All general meetings other than annual general meetings shall be called extraordinary general meetings.

33. CONVENING GENERAL MEETINGS

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the Companies Act. If at any time there are not within the State sufficient Directors capable of acting to form a quorum, any Director or any two Holders may convene an extraordinary general meeting in the same manner as nearly as possible as that in which general meetings may be convened by the Directors.

34. NOTICE OF GENERAL MEETINGS

- 34.1. Subject to the provisions of the Companies Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one Clear Days' notice and all other extraordinary general meetings shall be called by at least seven Clear Days' notice.
- 34.2. Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a Holder entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote in his place and that a proxy need not be a Holder. The notice shall also state the time by which the proxy must be received at the Company's registered office or some other place within the State as is specified in the statement for that purpose. Subject to any restrictions imposed on any Shares, the notice shall be given to all the Holders and to the Directors and the Auditors.
- 34.3. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- 34.4. Where, by any provision contained in the Companies Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Companies Act permit) before the meeting at which it is moved, and the Company shall give to the Holders notice of any such resolution as required by and in accordance with the provisions of the Companies Act.

PROCEEDINGS AT GENERAL MEETINGS

35. QUORUM FOR GENERAL MEETINGS

- 35.1. No business other than the appointment of a chairperson shall be transacted at any general meeting unless a quorum of Holders is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, two persons entitled to vote upon the business to be transacted, each being a Holder or a proxy for a Holder or a duly authorised representative of a corporate Holder, shall be a quorum.
- 35.2. If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other day, time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, one person entitled to be counted in a quorum present at the meeting shall be a quorum.

36. SPECIAL BUSINESS

All business shall be deemed special that is transacted at an extraordinary general meeting. All business that is transacted at an annual general meeting shall also be deemed special, with the exception of declaring a dividend, the consideration of the accounts, balance sheets and reports of the Directors and Auditors, the re-appointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

37. CHAIRPERSON OF GENERAL MEETINGS

- 37.1. The chairperson of the board of Directors or, in his absence, the deputy chairperson (if any) or, in his absence, some other Director nominated by the Directors shall preside as chairperson at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairperson of the meeting and, if there is only one Director present and willing to act, he shall be chairperson.
- 37.2. If at any meeting no Director is willing to act as chairperson or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the Holders present (in person or by proxy or by representative) and entitled to vote shall choose one of the Holders (including his proxy or its duly authorised representative) personally present to be chairperson of the meeting.

38. DIRECTORS' AND AUDITORS' RIGHT TO ATTEND GENERAL MEETINGS

A Director shall be entitled, notwithstanding that he is not a Holder, to attend and speak at any general meeting and at any separate meeting of the Holders of any class of Shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

39. ADJOURNMENT OF GENERAL MEETINGS

The chairperson, with the consent of a meeting at which a quorum is present, may (and if so directed by the meeting, shall) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for thirty days or more, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

40. DETERMINATION OF RESOLUTIONS

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of, the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the chairperson that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the chairperson, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

41. ENTITLEMENT TO DEMAND POLL

- 41.1. Subject to the provisions of the Companies Act, a poll may be demanded:
- 41.1.1. by the chairperson of the meeting;

- 41.1.2. by at least three Holders present (in person or by proxy) having the right to vote at the meeting; or
- 41.1.3. by any Holder or Holders present (in person or by proxy) representing shares on which an aggregate sum has been paid up equal to not less than ten percent of the total sum paid up on all the shares conferring the right to vote at the meeting.

42. TAKING OF A POLL

- 42.1. Save as provided in Article 42.2, a poll shall be taken in such manner as the chairperson directs and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 42.2. A poll demanded on the election of a chairperson or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairperson of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- 42.3. No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

43. VOTES OF HOLDERS

- 43.1. Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of Shares:
 - 43.1.1. on a show of hands every Holder, who is present in person or by proxy, shall have one vote and the Holder(s) of Subscriber Shares present in person or by proxy shall have one vote in respect of all the Subscriber Shares in issue;
 - 43.1.2. on a poll every Holder present in person or by proxy shall have one vote for every Share of which he is the Holder and every Holder of a Subscriber Share present in person or by proxy shall have one vote in respect of his holding of Subscriber Shares;
 - 43.1.3. on a poll of all the Holders of Shares in a Fund, where there is more than one class of Shares in existence in that Fund, the voting rights of such Holders may at the discretion of the Directors be adjusted in such manner, determined by the Directors, so as to reflect the most recently calculated price at which the shares of each of the classes in question may be redeemed by the Company; and
 - 43.1.4. a Holder or Holders who hold a fraction of a Share may not exercise any voting rights, whether on a show of hands or on a poll, in respect of such fraction of a Share.

44. WRITTEN RESOLUTIONS

A resolution in writing executed by or on behalf of each Holder who would have been entitled to vote upon it if it had been proposed at a meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Holders. In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

45. CHAIRPERSON'S CASTING VOTE

Where there is an equality of votes, whether on a show of hands or on a poll, the chairperson of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

46. VOTING BY JOINT HOLDERS

Where there are joint Holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such Share shall be accepted to the exclusion of the votes of the other joint Holders and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the Share.

47. VOTING BY INCAPACITATED HOLDERS

A member of unsound mind, a member who has an enduring power of attorney or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll by his committee, donee of an enduring power of attorney, receiver, guardian or other person appointed by that court and any such committee, donee of an enduring power of attorney, receiver, guardian or other person may speak and vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy by such time as the Directors may determine before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

48. RESTRICTION OF VOTING RIGHTS

- 48.1. If at any time the Directors shall determine that a Specified Event (as defined in Article 48.5) shall have occurred in relation to any Share or Shares the Directors may serve a notice to such effect on the Holder or Holders thereof. Upon the service of any such notice (in these Articles referred to as a **restriction notice**) no Holder or Holders of the Share or Shares specified in such restriction notice shall be entitled, for so long as such restriction notice shall remain in force, to attend or vote at any general meeting, either personally or by proxy.
- 48.2. A restriction notice shall be cancelled by the Directors as soon as reasonably practicable, but in any event not later than forty-eight hours, after the Holder or Holders concerned shall have remedied the default by virtue of which the Specified Event shall have occurred. A restriction notice shall automatically cease to have effect in respect of any Share transferred upon registration of the relevant transfer provided that a restriction notice shall not cease to have effect in respect of any transfer where no change in the beneficial ownership of the Share shall occur and for this purpose it shall be assumed that no such change has occurred where a transfer form in respect of the Share is presented for registration having been stamped at a reduced rate of stamp duty by virtue of the transferor or transferee claiming to be entitled to such reduced rate as a result of the transfer being one where no beneficial interest passes.
- 48.3. The Directors shall cause a notation to be made in the Register against the name of any Holder or Holders in respect of whom a restriction notice shall have been served indicating the number of Shares specified in such restriction notice and shall cause such notation to be deleted upon cancellation or cessation of such restriction notice.
- 48.4. Any determination of the Directors and any notice served by them pursuant to the provisions of this Article shall be conclusive as against the Holder or Holders of any Share and the validity of any notice served by the Directors in pursuance of this Article shall not be questioned by any person.

48.5. For the purpose of these Articles the expression **Specified Event** in relation to any Share shall mean the failure by the Holder thereof or any of the Holders thereof to comply, to the satisfaction of the Directors, with all or any of the terms of Article 7 in respect of any notice or notices given to him or any of them thereunder.

49. TIME FOR OBJECTION TO VOTING

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairperson of the meeting whose decision shall be final and conclusive.

50. APPOINTMENT OF PROXY

Every Holder entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. The instrument appointing a proxy shall be in writing in any usual form or in any other form which the Directors may approve and shall be executed by or on behalf of the Holder. The signature on such instrument need not be witnessed. A body corporate may execute a form of proxy under its common seal or under the hand of a duly authorised officer thereof. A proxy need not be a Holder.

51. BODIES CORPORATE ACTING BY REPRESENTATIVES AT MEETINGS

Any body corporate which is a Holder may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Holders of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Holder.

52. DEPOSIT OF PROXY INSTRUMENTS

The instrument appointing a proxy and any authority under which it is executed or a copy, certified by a notary or in some other way approved by the Directors, shall be deposited at the Office or (at the option of the Holder) at such other place or places (if any) and in such manner as may be specified for that purpose in or by way of note to the notice convening the meeting or adjourned meeting at such time and in such manner as may be determined by the Directors before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid. Provided that an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require to be delivered again for the purposes of any subsequent meeting to which it relates.

53. ELECTRONIC PROXY

Notwithstanding anything contained in these Articles, in relation to any shares, the Directors may from time to time permit appointments of proxies to be made by electronic means (including without limitation by means of Electronic Communication generated and sent by Holders to the Company or its agent via a website for this purpose using identification numbers communicated by or on behalf of the Company to each Holder) in such manner or form and subject to such terms, conditions or restrictions as the Directors may, subject to and in accordance with the Companies Act, determine or approve from time to time in their absolute discretion. Subject as aforesaid, the Company and its Directors, secretary or officers shall not be compelled to accept or receive any instrument appointing a proxy in accordance with this Article until such time as the Directors shall have advised (pursuant to any terms and conditions of Electronic Communication or otherwise) the Holder in writing of the manner, form and restrictions (if any) by which such appointment may be made. The Directors may prescribe the method

of determining the time at which any such appointment of a proxy is to be treated as received by the Company. The Directors may treat any such appointment which purports to be or is expressed to be sent on behalf of a Holder as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.

For the purposes of this Article 53, the place to which the appointment of proxy should be delivered by the Holder shall be such number or address (including any number or address used for the purpose of communication by way of electronic mail or other Electronic Communication) of the Company as is notified by the Directors to the Holders whether by way of note to the notice convening the meeting or otherwise.

54. EFFECT OF PROXY INSTRUMENTS

Deposit of an instrument of proxy in respect of a meeting or adjourned meeting shall not preclude a Holder from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates.

55. EFFECT OF REVOCATION OF PROXY OR OF AUTHORISATION

55.1. A vote given or poll demanded in accordance with the terms of an instrument of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal, or the revocation of the instrument of proxy or of the authority under which the instrument of proxy was executed or of the resolution authorising the representative to act or transfer of the Share in respect of which the instrument of proxy or the authorisation of the representative to act was given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the Office at least one hour before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used or at which the representative acts.

55.2. The Directors may send, at the expense of the Company, by post or otherwise, to the Holders instruments of proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative. If for the purpose of any meeting, invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the Holders entitled to be sent a notice of the meeting and to vote thereat by proxy.

56. CLASS MEETINGS

Save as otherwise provided in these Articles, the provisions of Articles 33 to 54 shall apply mutatis mutandis to class meetings and meetings of Holders of Shares in a Fund as they apply to general meetings.

DIRECTORS

57. NUMBER OF DIRECTORS

Unless otherwise determined by the Company in a general meeting, the number of Directors shall not be less than two.

58. ORDINARY REMUNERATION OF DIRECTORS

Unless and until otherwise determined from time to time by the Company in general meeting, the ordinary remuneration of each Director shall be determined from time to time by resolution of the Directors.

59. SPECIAL REMUNERATION OF DIRECTORS

Any Director who holds any executive office (including for this purpose the office of chairperson or deputy chairperson) or who serves on any committee, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of salary, commission or otherwise as the Directors may determine.

60. EXPENSES OF DIRECTORS

The Directors may be paid all travelling, hotel and other expenses properly incurred by them in connection with their attendance at meetings of the Directors or committees established by the Directors or general meetings or separate meetings of the Holders of any class of Shares of the Company or otherwise in connection with the discharge of their duties.

61. ALTERNATE DIRECTORS

- 61.1. Any Director may appoint by writing under his hand any person (including another Director) to be his alternate. Any such authority may be sent by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors and may bear a printed or facsimile signature of the Director giving such authority.
- 61.2. An alternate Director shall be entitled to receive notices of all meetings of the Directors and of all meetings of committees established by the Directors of which his appointor is a member, to attend and vote at any such meeting at which the Director appointing him is not personally present and in the absence of his appointor to exercise all the powers, rights, duties and authorities of his appointor as a Director (other than the right to appoint an alternate hereunder).

PROCEEDINGS OF DIRECTORS

74. CONVENING AND REGULATION OF DIRECTORS' MEETINGS

- 74.1. Subject to the provisions of these Articles, the Directors may regulate their proceedings as they think fit. A Director may, and the Secretary at the request of a Director shall, call a meeting of the Directors. Any Director may waive notice of any meeting and any such waiver may be retrospective. - 74.2. Notice of a meeting of the Directors shall be deemed to be duly given to a Director if it is given to him personally or by word of mouth or sent in writing by delivery, post, cable, telegram, telex, telefax, electronic mail or any other means of communication approved by the Directors to him at his last known address or any other address given by him to the Company for this purpose.

75. QUORUM FOR DIRECTORS' MEETINGS

- 75.1. The quorum for the transaction of the business of the Directors may be fixed by the Directors and unless so fixed at any other number shall be two. Any such authority may relate generally to all meetings of the Directors or to any specified meeting or meetings and must be in writing and may be sent by delivery, post, facsimile, electronic mail or any other means of communication approved by the Directors and may bear a printed, facsimile or electronic signature of the Director giving such authority. The authority must be delivered to the Secretary for filing prior to or must be produced at the first meeting at which a vote is to be cast pursuant thereto provided that no Director shall be entitled to any vote at a meeting on behalf of another Director pursuant to this Article 76.2 if the other Director shall have appointed an alternate Director and that alternate Director is present at the meeting at which the Director proposes to vote pursuant to this Article 76.2.

77. TELECOMMUNICATION MEETINGS

All or any of the Directors (or any alternate Directors), or of the members of a committee of the Directors (a **Committee**) can take part in a meeting of the Directors, or of a Committee as the case may be, by the use of conference telephone, video conferencing or other telecommunications equipment designed to allow all persons participating to hear each other speak (an **Electronic Meeting**). A person taking part in this way will be counted as being present at the meeting, and an Electronic Meeting will be considered to be a meeting of Directors, or of a Committee as the case may be, for the purpose of passing resolutions (but not for doing any other act or thing which, under specific requirements of the Companies Act, must be done at a meeting of Directors). The provisions of these Articles, insofar as they relate to the summoning of meetings of Directors or of Committees, the appointment and powers of a chairperson, the transaction of business, alternated quorum, voting, adjournment and the keeping of minutes, will apply to an Electronic Meeting as if it were a meeting of Directors, or of a Committee as the case may be, at which all those taking part were in the physical presence of each other.

78. CHAIRPERSON OF THE BOARD OF DIRECTORS

Subject to any appointment to the office of chairperson made pursuant to these Articles, the Directors may elect a chairperson of their meetings and determine the period for which he is to hold office, but if no such chairperson is elected or if at any meeting the chairperson is unwilling to act or is not present within five minutes after the time appointed for holding the same the Directors present may choose one of their number to be chairperson of the meeting.

79. VALIDITY OF ACTS OF DIRECTORS

All acts done by any meeting of the Directors or of a committee established by the Directors or by any person acting as a Director, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified from holding office or had vacated office, shall be as valid as if every such person had

been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.

80. DIRECTORS' RESOLUTIONS OR OTHER DOCUMENTS IN WRITING

A resolution or other document in writing signed by all the Directors entitled to receive notice of a meeting of Directors or of a committee established by the Directors shall be as valid as if it had been passed at a meeting of Directors or (as the case may be) a committee established by the Directors duly convened and held and may consist of several documents in the like form each signed by one or more Directors or by one or more persons (which may include Directors) being the members of the committee established by the Directors, and such resolution or other document or documents when duly signed may be delivered or transmitted (unless the Directors or the members of the committee as the case may be shall otherwise determine either generally or in any specific case) by facsimile transmission or some other similar means of transmitting the contents of documents. A resolution or other documents signed by an alternate Director need not also be signed by his appointor and, if it is signed by a Director who has appointed an alternate Director, it need not be signed by the alternate Director in that capacity.

THE SECRETARY

81. APPOINTMENT OF SECRETARY

The Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit and any Secretary so appointed may be removed by them. Anything required or authorised by the Companies Act or these Articles to be done by, or given to, the Secretary may be done by or given to any assistant or acting secretary readily available and capable of acting by or to any officer of the Company authorised generally or specially in that behalf by the Directors, if the office is vacant or there is for any other reason no Secretary readily available and capable of acting. 84. SIGNATURE OF SEALED INSTRUMENTS

Every instrument to which the Seal shall be affixed shall be signed by a Director and shall also be signed by the Secretary or by a second Director or by some other person appointed by the Directors for the purpose (which may include the Depositary) save that as regards any debentures or other securities of the Company the Directors may determine by resolution that such signatures or either of them shall be dispensed with, or be printed thereon or affixed thereto by some method or system of mechanical signature provided that in any such case the document to be sealed shall have been approved for sealing by the Secretary or by the registrar of the Company or by the Auditors or by some other person appointed by the Directors for this purpose in writing (and, for the avoidance of doubt, it is

hereby declared that it shall be sufficient for approval to be given and/or evidenced either in such manner (if any) as may be approved by or on behalf of the Directors or by having such documents initialled before sealing or presented for sealing accompanied by a list thereof which has been initialled). The Company's seal may be used by a Registered Person and any instrument to which the Company's seal shall be affixed when it is used by the Registered Person shall be signed by that person and countersigned:

(a) by the Secretary or a Director of the Company; or

(b) by some other person appointed for the purpose by its Directors or a committee of its Directors authorised by its Directors in that behalf.

DIVIDENDS AND RESERVES

85. DECLARATION OF DIVIDENDS

- 85.1. The Directors at such times as they think fit may declare such dividends on any class (or series thereof) of shares as appear to the Directors to be justified by the profits of the relevant Fund being:
- 85.1.1. the accumulated revenue (consisting of all revenue accrued including interest and dividends) less expenses of the relevant Fund; and/or
 - 85.1.2. realised gains less realised and unrealised losses of the relevant Fund; or
 - 85.1.3. realised and unrealised gains less realised and unrealised losses of the relevant Fund; and/or
 - 85.1.4. the capital of the relevant Fund.
- 85.2. The Directors may, satisfy any dividend due to Holders of the Shares in whole or in part by distributing to them in specie any of the Assets of the relevant Fund, and in particular any Investments to which the relevant Fund is entitled. A Holder may require the Directors instead of transferring any Assets in specie to him, to arrange for a sale of the Assets and for payment to the Holder of the net proceeds of same.
- 85.3. Shares of any class may at the discretion of the Directors be issued on the basis that any dividends declared in respect of those Shares will be reinvested in the subscription of further Shares of that class. In addition, Holders may either when applying for Shares or subsequently, request the Directors or their agents in writing to reinvest all dividends to which they are entitled in the subscription of further Shares; every such request will remain effective until countermanded in writing or, if earlier, the person making the request ceases to be a Holder. Further Shares will be issued on the date the dividend is declared or, if that is not a Dealing Day, for subscription for Shares on the next following Dealing Day at a price calculated in the same way as for other issues of Shares of the same class on that Dealing Day but without incurring any initial charge.
- 85.4. Shares of any class may at the discretion of the Directors be issued on the basis that any dividends declared in respect of those Shares will be reinvested and form part of the assets of the relevant Fund and will be applied when calculating the Subscription Price and the Redemption Price as part of the proportion of the relevant Fund which is attributable to the Holders of that class of Shares.
- 85.5. Shares of any class may at the discretion of the Directors be issued on the basis that no dividends will be declared in respect of those Shares and that any profits available for distribution will form part of the assets of the relevant Fund and will be applied when calculating the Subscription Price and the Redemption Price as part of the proportion of the relevant Fund which is attributable to the Holders of that class of Shares.

85.6. Shares of any class in a Fund may at the discretion of the Directors be issued on the condition that any dividends declared in respect of those assets' Shares will be paid by the Company into an account in the name of the Depositary for the account of the holders of those Shares (the **Reinvestment Account**). The amount standing to the credit of the Reinvestment Account shall not be an asset of the relevant Fund or the Company. The amount standing to the credit of the Reinvestment Account will be immediately transferred from such account to the account of the relevant Fund. It is anticipated that the Net Asset Value per Share will not change as a result of this reinvestment process because the income will be paid to the external account and reinvested back into the assets of the relevant Fund on the same day and between two pricing points. However, the Directors reserve the right to issue additional Shares.

86. ELIGIBILITY FOR DIVIDENDS

If any Share is issued on terms providing that it shall rank for dividend as from or after a particular date or to a particular extent, such Share shall rank for dividend accordingly.

87. DEDUCTION FROM DIVIDEND

87.1. The Directors may deduct from any dividend or other monies payable to any Holder on or in respect of a Share all sums of money (if any) presently payable by him to the Company in relation to the Shares of the Company.

87.2. Where the Company is required to pay any taxation to the Irish tax authorities as a consequence of making any dividend payment to a Holder who is or is deemed to be a Taxable Irish Person or is acting on behalf of such person, the Directors may deduct from the payment an amount equal to the taxation attributable to the relevant payment(s) and pay such amount to the Irish taxation authorities.

88. UNCLAIMED DIVIDENDS

All unclaimed dividends on Shares may be invested or otherwise made use of by the Directors for the benefit of the relevant Fund until claimed. No dividend shall bear interest against the Company. The payment by the Directors of any unclaimed dividend or other monies payable on or in respect of a Share into a separate account shall not constitute the Company a trustee in respect thereof and any dividend unclaimed after a period of six years from the date of declaration of such dividend shall be forfeited and shall revert to the relevant Fund.

89. CURRENCY OF DIVIDEND

Any dividend or other monies payable on or in respect of a Share shall be expressed and payment shall be made in the currency in which the relevant class of Shares is designated or in such other currency as the Directors may determine either generally or in relation to a particular class of Shares or in any specific case.

90. PAYMENT OF DIVIDEND

Any dividend or other monies payable on or in respect of a Share may be paid by electronic transfer to the account nominated by the Holder or person entitled thereto, and in the case of joint Holders to that one whose name stands first on the Register in respect of their joint holding or be paid by cheque or warrant sent through the post to the registered address of the Holder or the person entitled thereto. Every such payment by cheque or warrant shall be made payable to the order of the person to whom it is sent, and payment of the cheque or warrant shall be a good discharge to the Company and, in the case of payment by telegraphic transfer, every such payment shall be a good discharge to the Company. Every such transfer or, where applicable, cheque or warrant shall be sent or, as the case may be, made at the risk and cost of the person entitled to the money represented thereby or, as the case may be, payment remitted.

92.2. The accounting records shall be kept at the Office or, subject to the provisions of the Companies Act, at such other place as the Directors think fit and shall be open at all reasonable times to the inspection of the Directors.

92.3. In accordance with the provisions of the Companies Act, the Directors shall cause to be prepared and to be laid before the annual general meeting of the Company from time to time such profit and loss accounts, balance sheets and reports as are required by the Companies Act to be prepared and laid before such meeting.

92.4. A copy of every balance sheet (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the Directors' report and Auditors' report shall be sent, not less than twenty-one Clear Days before the date of the annual general meeting, to every person entitled under the provisions of the Companies Act to receive them **PROVIDED THAT** this Article shall not require a copy of these documents to be sent to more than one of the joint Holders of any Shares.

1. TERMS AND CONDITIONS OF ISSUE OF SHARES

- 1.1. Prior to the issue of any class of Shares the Directors shall determine the rights and restrictions attaching thereto (including the redemption provisions which may vary from other classes of Shares in the same Fund in accordance with the requirements of the Central Bank), the Fund to which they relate, the designated currency of the Shares and the fees and expenses to be borne by the class of Shares. In accordance with the requirements of the Central Bank the decision to subscribe for any class of Shares in respect of which the voting rights are restricted shall be made solely by the investor. The Directors may in relation to a Fund create more than one class or series of Shares to participate in the Fund in accordance with the requirements of the Central Bank. The Directors may create more than one class or series of shares to participate in a Fund which may be denominated by the Directors in the same or different currencies. The Directors shall at the time of creation of such class determine if such class of Shares shall be constituted as a Derivative Specific Share Class, a Hedged Currency Shares Class and/or an Unhedged Currency Share Class. Notwithstanding anything contained in these Articles, the costs and gains/losses of any derivative transactions relating to a Derivative Specific Share Class or a Hedged Currency Share Class shall accrue solely to the Holders of Shares in such class and shall not form part of the assets of the relevant Fund or constitute a liability of the relevant Fund to which the Share relates. Any derivative transaction relating to a Derivative Specific Share Class or a Hedged Currency Share Class shall be valued in accordance with the provisions of Appendix 3 and shall be clearly attributable to the specific Derivative Specific Share Class or Hedged Currency Share Class. Notwithstanding the foregoing, no Derivative Specific Share Class or Hedged Currency Share Class shall be leveraged as a result of any derivative transaction and/or Share class currency hedging transactions unless permitted by the Central Bank and subject to the parameters set out in the Prospectus.
- 1.2. The names of each Fund may be amended by the Directors, subject to the prior approval of the Central Bank and any change of name shall not require the approval of the Holders in the relevant Fund.
- 1.3. Shares in relation to the above Fund or other Funds may be issued and designated from time to time with the prior approval of the Central Bank.
- 1.4. Subject as hereinafter provided and subject to any regulations made or conditions imposed by the Central Bank pursuant to the Companies Act or otherwise, the issue of Shares by the Company shall be subject to the receipt by the Company or its authorised agents of:
 - 1.4.1. an application in such form as the Directors may from time to time determine to include, where appropriate, the indication of the class of shares in which the applicant wishes to invest;
 - 1.4.2. payment of the Subscription Price (or equivalent) into the assets of the relevant Fund within a reasonable time; and
 - 1.4.3. such information and declarations as the Directors may from time to time require.
- 1.5. Subject to the requirements of the Central Bank, subsequent subscriptions may be made in writing, by telephone, by facsimile or electronic means of communication or otherwise in accordance with the procedure to be set out in the Prospectus.
- 1.6. Payment for Shares shall be made by the Settlement Date in such currency and at such time, place and manner and to such person, on behalf of the Company, as the Directors may from time to time determine.

- 1.7. The Company may (at the option of the Directors) satisfy any application for the allotment of Shares by procuring the transfer to the applicant of fully-paid Shares, the effective date of such transfer to be the relevant Dealing Day. In any such case, references in these Articles to allotting Shares shall, where appropriate, be taken as references to procuring the transfer of Shares.
- 1.8. The allotment of Shares may take place notwithstanding that the information or declarations referred to in clause 1.4.3 have not been received by the Company or its authorised agent provided that the application referred to in clause 1.4.1 of this Appendix has been received, and provided further that if the said information or declarations have not been received within one month (or such other period as the Directors may determine) after the Dealing Day on which such Shares are allotted, the Directors shall be entitled to cancel the allotment and if so cancelled the relevant application monies (if any) shall be returnable to the applicant at his risk (together with such additional amount, if any, or after deducting such amount, if any, as the Directors may in their absolute discretion think fit, any such amount so deducted being retained by the Company for its own benefit) and until returned may be made use of by the Company for its own benefit.
- 1.9. If payment in full for any Shares is not received by the relevant Settlement Date, or in the event of the non-clearance of funds, the Directors or their delegates shall be entitled to cancel any allotment and either return the relevant monies to the applicant at his risk or to treat the relevant monies as payment in respect of an application for Shares made by the Dealing Deadline for the Dealing Day next following receipt of such monies or cleared funds. Where an allotment of Shares is cancelled, the Company may charge the applicant for any resulting charges or loss incurred by the Company. Where subscriptions are settled late, the Company reserves the right to charge an applicant interest at a reasonable commercial rate on such subscriptions. In addition, the Directors have the right to sell all or part of the investor's holding of Shares in the relevant Fund in order to meet such charges.
- 1.10. Applications within the meaning of clause 1.3 above that are received by or on behalf of the Company on or prior to the Dealing Deadline for a Dealing Day shall, unless the Directors determine otherwise, be dealt with on that Dealing Day. Such applications as are received after the Dealing Deadline for a Dealing Day shall, (unless the Directors otherwise agree and provided they are received before the relevant Valuation Point), be deemed to have been received by the following Dealing Deadline. The Directors may, in their absolute discretion and subject to the prior approval of the Depositary, agree to designate additional Dealing Days and Valuation Points for the purchase of Shares relating to any Fund which will be open to all Holders and which will be notified in advance to all Holders.
- 1.11. Applications for the issue of Shares will be irrevocable unless the Directors, or a delegate, otherwise agree.
- 1.12. Without prejudice to the Directors' right to accept, restrict or cancel any subscription requests, the Directors may accept, restrict or cancel any subscription requests which, in the sole judgement of the Directors represent excessive trading and/or market timing or other activity which they believe harmful to the Company or any Fund without giving any reason.

2. SUBSCRIPTION PRICE

- 2.1. During the Initial Offer Period of a Share class of a Fund, the Subscription Price per Share of the relevant class shall be the price as determined by the Directors. After the Initial Offer Period, the Subscription Price shall be the Net Asset Value per Share of the relevant class plus such sum as the Directors may consider represents the appropriate allowance for Duties and Charges at the discretion of the Directors and a charge in respect of any performance fee payable to any Investment Manager/adviser and, at the discretion of the Directors, where there are net subscriptions, an Anti-Dilution Levy may be applied to cover dealing costs and to preserve the value of the underlying Assets of the Fund with the resulting sum rounded to the number of decimal places as determined by the Directors from time to time and set out in the Prospectus.

- 2.2. Notwithstanding the foregoing, the Directors may issue any new series of shares in a class in a Fund at a fixed price within an initial offer period where existing Shareholders in that Fund are not prejudiced and subject to complying with the requirements of the Central Bank.
- 2.3. Where shares are issued based on the Net Asset Value per Share as outlined in the preceding clause, the Net Asset Value per Share of the relevant class shall be ascertained by:
- 2.3.1. determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class of Shares as at the Valuation Point for the relevant Dealing Day;
 - 2.3.2. where the class of shares is a Hedged Currency Class or a Derivative Specific Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with clause 2.3.1, the costs and gains/losses of any currency hedging or derivative transactions effected in respect of that class;
 - 2.3.3. dividing the sum calculated in accordance with clause 2.3.1 by the number of Shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
 - 2.3.4. rounding the resulting amount so determined mathematically to the number of decimal places of the unit of the currency in which such Share is designated (**unit** for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency) or significant figures as the Directors may from time to time determine and set out in the Prospectus.
- 2.4. For the purposes of this clause 2, Shares which have been allotted shall be deemed to be in issue from the close of business on the Dealing Day on which they are allotted and Shares which have been redeemed shall be deemed to cease to be in issue at the close of business on the Dealing Day of such redemption.

3. ALLOTMENT OF SHARES FOR NON CASH CONSIDERATION

- 3.1. The Directors may, subject to the provisions of the Companies Act, in their absolute discretion allot Shares against the vesting in the Depositary on behalf of the Company of any Investments and in connection therewith the following provisions shall apply:
- 3.1.1. the nature of the Investments to be transferred to the relevant Fund would qualify as suitable investments of such Fund in accordance with the investment objective, policies and restrictions of the Fund;
 - 3.1.2. the number of Shares to be allotted (which will only be allotted where arrangements have been made to vest the Investments with the Depositary or after the Investments have been vested in the Depositary on behalf of the Company) shall be not more than that number which would have fallen to be issued for cash on the basis that the amount of such cash was an amount equal to the value as at the relevant Valuation Point for the relevant Dealing Day of the Investments to be vested in the Depositary on behalf of the Company, as determined in accordance with clause 3.1.3;
 - 3.1.3. the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the Investments in the Depositary on behalf of the Company shall be paid by the Company or by the person to whom the Shares are to be issued or partly by the Company and partly by such person;
 - 3.1.4. the value of the Investments to be vested in the Depositary on behalf of the Company shall be determined by the Directors on such basis as they shall decide so long as such

value does not exceed the highest amount which would be obtained if the Investments were valued in accordance with Appendix 3;

3.1.5. in the case of the initial issue of Shares of any class, the Directors shall determine the number of Shares of the relevant class to be allotted against the vesting in the Depository on behalf of the Company of any Investments; and

3.1.6. in exercising their discretion under this clause 3, the Directors shall consider whether the terms of any such allotment are such as would result in any material prejudice to existing Holders provided that the Depository is satisfied that the terms of such allotment will not be such as are likely to result in any material prejudice to existing Holders.

4. NO SHARES ALLOTTED WHEN CALCULATION OF NET ASSET VALUE SUSPENDED

The Directors may in their absolute discretion determine that no Shares shall be allotted or issued during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to clause 16. The Directors will notify investors applying for Shares of such suspension at the time of application. Any application for Shares which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after the suspension is lifted.

5. ISSUE OF FRACTIONS OF SHARES

Where payments or other consideration received by or on behalf of the Company in respect of the issue or allotment of Shares are not an exact multiple of the Subscription Price for those Shares, a fraction of a Share may be allotted to the investor who shall be registered as the Holder of such a fraction provided that any holding of Shares is a multiple of 1/1000 part of a Share or such other fractional amount as the Directors may determine from time to time. Rights, entitlements and benefits of a Holder of a Share under the Articles are granted to a Holder of a fraction of a Share in proportion to the fraction of a Share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in the Articles to Share shall include a fraction of a Share. Notwithstanding anything contained in these Articles, the Holder of a fraction of a Share may not exercise any voting rights in respect of such Share.

6. MINIMUM INITIAL INVESTMENT AMOUNT

The Directors may in their absolute discretion decline to issue Shares of any class to satisfy any initial application unless the amount in value of the Shares to which an application relates equals or exceeds the Minimum Initial Subscription or its equivalent in another currency. Thereafter, Holders may make additional subscriptions for shares having a value, at the then current Subscription Price of not less than the Minimum Subsequent Transaction Level or its equivalent in another currency.

FUNDS

7. FUNDS

7.1. All consideration or other amounts referred to in clause 2 received by or on behalf of the Company for the allotment or issue of Shares of a Fund, or if there is more than one class of shares in a particular Fund, of all such classes, together with all Investments in which such consideration is invested or reinvested, all income, earnings, profits and proceeds thereof shall be segregated and kept separate from all other monies of the Company and such assets and monies shall be referred to as a Fund there being one Fund in respect of each class (or all such classes, as the case may be) of Shares and to which the following provisions shall apply:

- 7.1.1. For each Fund the Company shall keep separate books and records in which all transactions relating to the relevant Fund shall be recorded and, in particular, the proceeds from the allotment and issue of Shares of each class in the Fund, the Investments and the liabilities and income and expenditure attributable thereto shall be applied or charged to such Fund subject to the provisions of this clause 7.
- 7.1.2. Any asset derived from any other Asset(s) (whether cash or otherwise) comprised in any Fund shall be applied in the books and records of the Company to the same Fund as the Asset from which it was derived and any increase or diminution in the value of such an Asset shall be applied to the relevant Fund.
- 7.1.3. No Shares will be issued on terms that entitle the Holder of any Shares in a Fund to participate in the Assets of the Company other than the Assets (if any) of the Fund relating to such Shares. If the proceeds of the Assets of the relevant Fund are not sufficient to fund the full redemption amount payable to each Holder for the relevant Fund, the proceeds of the relevant Fund will, subject to the terms for the relevant Fund, be distributed equally among each Holder of the relevant Fund pro rata to the amount paid up on the Shares held by each Holder. If the realised net assets of any Fund are insufficient to pay any amounts due on the relevant Shares in full, in accordance with the terms of the relevant Fund, the relevant Holders of that Fund will have no further right of payment in respect of such Shares or any claim against the Company, any other Fund or any Assets of the Company in respect of any shortfall.
- 7.1.4. In the event that there are any Assets which the Directors do not consider are attributable to a particular Fund or Funds, the Directors shall, with the approval of the Depositary, allocate such Assets to and among any one or more of the Funds in such manner and on such basis as they, in their discretion, deem fair and equitable. The Directors shall have the power to and may at any time and from time to time, with the approval of the Depositary, vary the basis in relation to Assets previously allocated.
- 7.1.5. Each Fund shall be charged with the liabilities, expenses, costs, charges or reserves of the Company in respect of or attributable to that Fund and any such liabilities, expenses, costs, charges or reserves of the Company not attributable to any particular Fund or Funds shall be allocated and charged by the Directors, with the approval of the Depositary, in such manner and on such basis as the Directors, in their sole and absolute discretion deem fair and equitable, and the Directors shall have the power to and may at any time and from time to time, with the approval of the Depositary, vary such basis including, where circumstances so permit, the re-allocation of such liabilities, expenses, costs, charges and reserves.
- 7.1.6. Where derivative and/or hedging strategies are used in relation to a Fund or class of Shares, the financial instruments used to implement such strategies shall be deemed to be Assets or liabilities (as the case may be) of the relevant Fund as a whole but will be clearly attributable to a specific class and the gains/losses on and the costs of the relevant financial instruments will accrue solely to the relevant class of shares.
- 7.1.7. In the event that any Asset attributable to a Fund is taken in execution of a liability not attributable to that Fund, the provisions of section 1407 of the Companies Act shall apply.
- 7.2. Subject as otherwise provided herein, the Assets held in each Fund shall be applied solely in respect of the Shares of the class (or classes as the case may be) to which such Fund appertains and shall not be used to discharge directly or indirectly the liabilities of or claims against any other Fund and shall not be available for any such purpose.
- 7.3. If the Directors shall determine that a sufficient amount of subscription monies (such amount to be determined by the Directors in their discretion) have not been received during the Initial Offer Period of a class of a Fund (where no other classes have yet been launched in that Fund), the Directors may

determine in their discretion not to proceed to launch that Fund and shall return the subscription monies to each investor at their risk and expense.

8. FUND EXCHANGES

8.1. Unless otherwise determined by the Directors and subject to the provisions of the Companies Act, the Regulations, the Articles and the Prospectus and as hereinafter provided, a Holder holding Shares in any class in a Fund (the **first class**) on any Dealing Day shall have the right from time to time to exchange all or any of such Shares for Shares of the corresponding class in another class or Fund (the **new class**) (such class being either an existing class or a class agreed by the Directors to be brought into existence with effect from that Dealing Day) provided that all criteria for applying for the new shares have been met on the following terms:

8.1.1. The Holder shall give to the Company or its authorised agent(s) instructions (hereinafter called an **Exchange Notice**) in such form as the Directors may from time to time determine.

8.1.2. The exchange of the Shares specified in the Exchange Notice pursuant to this clause 8 shall occur on a Dealing Day for the first class and the new class in respect of Exchange Notices received on or prior to the relevant Dealing Deadline for that Dealing Day (or prior to such other time of day as the Directors may determine either generally or in relation to a particular Fund or in any specific case) by the Company or its authorised agent(s) or on such other Dealing Day as the Directors at the request of the Holder may agree and the Company or its authorised agents may in their discretion accept Exchange Notices received after the Dealing Deadline for the relevant Dealing Day provided the Exchange Notices are received prior to the relevant Valuation Point and a Holder's entitlement to Shares as recorded in the Register shall be altered accordingly with effect from that Dealing Day.

8.2. Exchange of the Shares of the first class specified in the Exchange Notice shall be effected in the following manner, that is to say:

8.2.1. such Shares of the first class shall be redeemed by the issue of Shares of the new class;

8.2.2. the Shares of the new class shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the Shares of the first class which is being exchanged; and

8.2.3. the proportion in which Shares of the new class are to be issued in respect of Shares of the first class shall be determined in accordance with clause 8.3;

Provided always that the right of a Holder to exchange his Shares in the first class for Shares in the new class conferred by this clause 8, shall be conditional upon the Company having sufficient available share capital to enable the exchange to be implemented as aforesaid.

8.3. The Directors shall determine the number of Shares of the new class to be issued on exchange in accordance with the following formula:

$$S = \frac{[R \times (RP \times ER)]}{SP}$$

where:

R is the number of Shares of the first class specified in the Exchange Notice which the Holder thereof has requested to be exchanged;

S is the number of Shares of the new class to be issued;

RP is the Redemption Price per Share of the first class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected;

ER in the case of an exchange of Shares designated in the same currency is 1. In any other case it is the currency conversion factor determined by the Directors as representing the effective rate of exchange applicable to the transfer of assets relating to the first and new classes of Shares after adjusting such rate as may be necessary to reflect the effective costs of making such transfer;

SP is the Subscription Price per Share for the new class as calculated as at the relevant Valuation Point for the Dealing Day on which the exchange is to be effected.

AND the number of Shares of the new class to be created or issued pursuant to this clause 8 shall be so created or issued in respect of each of the Shares of the first class being exchanged in the proportion (or as nearly as may be in the proportion) S to R where S and R have the meanings ascribed to them above.

- 8.4. Requests for the exchange of Shares as an initial investment in a new class will only be made if the value of the Shares to be exchanged is equal to or exceeds the Minimum Initial Subscription for the new class. The Directors may refuse to give effect to any Exchange Notice if to do so would cause the relevant Holder's holding in the first class to fall below the Minimum Holding specified for that class.
- 8.5. Shares in a class may not be exchanged for Shares in another class during any period when the calculation of the Net Asset Value of the relevant Fund or either of the relevant Funds as the case may be is suspended by reason of a declaration by the Directors pursuant to clause 16. Applicants will be notified of such suspension at the time of application and any request for the exchange of Shares not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day after such suspension is lifted.
- 8.6. The Company may charge an applicant for any costs or expenses incurred in respect of any currency transaction which may be required in respect of an exchange of Shares.
- 8.7. Without prejudice to the Directors' right to accept, restrict or cancel any exchange or redemption requests, the Directors may refuse to accept, restrict or cancel such requests which, in the sole judgement of the Directors represent excessive trading and/or market timing or other activity which they believe harmful to the Company or any Funds without giving any reason.

9. TERMINATION OF FUNDS

- 9.1. The Company or any Fund may be terminated and/or the Shares of a Fund (or any class of a Fund) may be redeemed by the Directors, in their sole and absolute discretion, by notice in writing to the Depositary in any of the following events:
 - 9.1.1. if, within ninety days from the date of the Depositary serving notice of termination of the Depositary Agreement, another depositary acceptable to the Company and the Central Bank has not been appointed to act as depositary; or

 - 9.1.5. if such termination is provided for in the Prospectus; or

- 9.1.6. if the Directors consider that it is in the best interests of the Holders of the Fund or the Company; or
 - 9.1.7. if the Net Asset Value of the relevant Fund is less than the Minimum Fund Size; or
 - 9.1.8. if there is a change in material aspects of the business or in the economic or political situation relating to a Fund and/or the Company which the Directors consider would have material adverse consequences on the Holders and/or the Investments of the Fund and/or the Company; or
 - 9.1.9. if there is any material change in the tax status of the Company or any Fund in Ireland or in any other jurisdiction (including any adverse tax ruling by the relevant authorities in Ireland or any jurisdiction affecting the Company or any Fund) which the Directors consider would result in material adverse consequences on the Holders and/or the Investments of the Fund; or
 - 9.1.10. if the Directors shall have resolved that it is impracticable or inadvisable for a Fund to continue to operate having regard to prevailing market conditions and the best interests of the Holders; or
 - 9.1.11. if the Assets held in respect of a Fund are terminated or redeemed and the Directors determine that it is not commercially practical to reinvest the realisation proceeds of such Assets in replacement Assets on terms that will enable the relevant Fund achieve its investment objective and/or to comply with its investment policy; or
 - 9.1.12. if, in the opinion of the Directors, such termination is in the best interests of Holders of Shares in the Fund.
- 9.2. The decision of the Directors in any of the events specified herein shall be final and binding on all the parties concerned but the Directors shall be under no liability on account of any failure to terminate the relevant Fund pursuant to this clause 9 or otherwise.

retained to be indemnified and saved harmless against any such costs, charges, expenses, claims and demands.

9.4.4. Every distribution referred to above shall be made in the manner as the Directors shall, in their sole and absolute discretion determine but shall be made only against production of the certificates or warrants relating to the Shares of the relevant Fund if issued in respect of which the same is made and upon delivery to the Depositary of such form of request for payment as the Depositary shall in its absolute discretion require. All certificates shall in the case of an interim distribution be encased by the Depositary with a memorandum of payments made and in the case of the final distribution shall be surrendered to the Depositary. Any unclaimed proceeds or other cash held by the Depositary hereunder may at the expiration of twelve months from the date upon which the same were payable be paid into court subject to the right of the Depositary to deduct therefrom any expenses it may incur in making such payment.

9.5. The Directors shall have the power to propose and implement a reconstruction and/or amalgamation and/or a merger of the Company or any Fund or Funds on such terms and conditions as are approved by the Directors subject to the following conditions namely:

 - 11.1.6. Any amount payable to the Applicant in connection with the redemption of Shares shall, at the risk and cost of the Applicant, be paid in the same currency as that in which the Shares are designated or in such other currency as the Directors shall determine. Any such amount may be remitted by or on behalf of the Company by electronic or telegraphic transfer to the bank account specified by the Applicant not later than the relevant Settlement Date or at the option of the Directors, and at the request of the Applicant (but at his risk and cost) shall be sent by post in the form of a negotiable instrument by or on behalf of the Company to the Applicant not later than the relevant Settlement Date. If the amount to be paid by the Company as aforesaid shall not be expressed in the currency in which the Shares which the Company has redeemed were designated then the rate of exchange between that currency and the currency agreed for payment shall be such rate as the Directors shall consider appropriate. The cost of conversion (if any) shall be debited from the converted payment. The certificate of the Directors as to the conversion rate applicable and as to the cost of conversion shall be conclusive and binding on all persons.
 - 11.1.7. Subject to written instructions from the Applicant to the Company (or its authorised agent) directing otherwise, which the Company (or its authorised agent) may require to be verified or otherwise supported by additional documentation, the Company (or its authorised agent) shall pay the proceeds of redemption to the Applicant.
 - 11.1.8. The Directors may, in their absolute discretion and subject to the prior approval of the Depositary, agree to designate additional Dealing Days and Valuation Points for the redemption of Shares relating to any Fund which will be open to all Holders and which will be notified in advance to all Holders.
 - 11.1.9. Subject to the requirements of the Central Bank different classes in a Fund may have different redemption terms.
- 11.2. The redemption of Shares under the provisions of this clause 11 shall be deemed to be effected immediately after the Valuation Point for the relevant Dealing Day. Shares redeemed in accordance with the provisions of this clause 11 shall be deemed to cease to be in issue at the close of business on the Dealing Day on which they are redeemed.
- 11.3. Upon the redemption of a Share being effected, the Applicant shall cease to be entitled to any rights in respect thereof (excepting always the right to receive a dividend which has been declared in respect

thereof prior to such redemption being effected) and accordingly his name shall be removed from the Register with respect thereto and the Shares shall be treated as cancelled and the amount of issued share capital in respect of such class of Shares shall be reduced accordingly.

- 11.4. The Directors may in their absolute discretion accept instructions from a Holder to cancel a redemption request which he/she has submitted to the Company (or its agent) provided such instructions are received by the Company (or its agent) before the Shares have been redeemed. The Company may charge such Holder any fees or expenses incurred in processing and/or cancelling the redemption request.
- 11.5. Without prejudice to the Directors' right to accept, restrict or cancel any redemption requests, the Directors may refuse to accept, restrict or cancel redemption requests which, in the sole judgement of the Directors, represent excessive trading and/or market timing.
- 11.6. Subject as aforesaid and to the discretion of the Directors or their delegate, an Applicant shall not be entitled to withdraw a request duly made in accordance with this clause 11.

12. REDEMPTION PRICE OF SHARES

- 12.1. The Redemption Price per Share shall be the Net Asset Value per Share less such sum as the Directors may consider represents the appropriate allowance for Duties and Charges in relation to the redemption of the Shares to be redeemed, less a redemption fee (which may not exceed 3% of the Redemption Price or such higher amount as may be permitted by the Central Bank and disclosed in the Prospectus), if any, at the discretion of the Directors, less a charge in respect of any performance fee payable to any Investment Manager/adviser and less at the discretion of the Directors, on any Dealing Day when there are net redemptions for a Fund, an Anti-Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of the Fund in question with the resulting sum being rounded to the number of decimal places as determined by the Directors from time to time and set out in the Prospectus. The Net Asset Value per Share of the relevant class or series shall be an amount as determined by the Directors on the relevant Dealing Day referred to in clause 12.1.1 by:
 - 12.1.1. determining that proportion of the Net Asset Value of the relevant Fund which is attributable to the relevant class or series of Shares as at the Valuation Point for the relevant Dealing Day;
 - 12.1.2. where the class of Share is a Hedged Currency Share Class or Derivative Specific Share Class, adding to or deducting from (as the case may be) the sum calculated in accordance with clause 12.1.1 the costs and gains/losses of any derivative or currency hedging transactions effected in respect of that class;
 - 12.1.3. dividing the sum calculated in accordance with clause 12.1.1 by the number of Shares of the relevant class in issue or deemed to be in issue in the relevant Fund at the Valuation Point for the relevant Dealing Day; and
 - 12.1.4. rounding the amount so determined mathematically to the number of decimal places of the unit of the currency of the Shares (**unit** for such purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency) or significant figures as the Directors may from time to time determine and set out in the Prospectus.
- 12.2. The Directors may on any Dealing Day require an Applicant to pay to the Company or any of its appointees or as any of them may direct, for its or their absolute use and benefit, a redemption fee of not more than 3% of the Redemption Price of a Share of the relevant class being redeemed on that Dealing Day (or such higher amount as may be permitted by the Central Bank and disclosed in the Prospectus). The amount of any such charge may be deducted from the amount to be paid by the Company to the Applicant in respect of the Shares to be redeemed. The Directors may on any Dealing Day differentiate between Applicants as to the amount of the redemption fee required to be paid to the

Company, or its appointees or as they may direct and as to the amount of redemption fee to be levied on each class of Share (subject to the maximum aforesaid). The redemption fee of 3% (or such higher amount as may be permitted by the Central Bank and disclosed in the Prospectus) may only be increased with the prior approval of Holders given on the basis of a simple majority of votes cast in a general meeting or the prior written approval of all Holders or such other requirement imposed by the Central Bank. In the event of an increase in the redemption fee, a reasonable notification period will be provided by the Company to enable Holders to redeem their Shares prior to the implementation of the increase.

- 12.3. Such portion of the Redemption Price of any Shares redeemed on a Dealing Day (except a Dealing Day which is a record day for the declaration of a dividend) as the Directors in their absolute discretion consider appropriate shall be deemed to be a distribution to the relevant Applicant of the proportion of the undistributed net revenue accrued to the relevant Fund up to such Dealing Day attributable to the Shares in respect of which such Redemption Price is payable.
- 12.4. Where any tax is payable to the Irish tax authorities in respect of a redemption of Shares by a Holder who is or is deemed to be a Taxable Irish Person or is acting on behalf of such a person, the Redemption Price shall be reduced by an amount equal to such tax which shall be paid by or on behalf of the Company to the authorities.
- 12.5. In calculating the Redemption Price, the Directors may on any Dealing Day adjust the Redemption Price by making a dilution adjustment in order to, amongst other things, cover dealing costs and preserve the value of the underlying assets of a Fund.

13. LIMITATIONS ON REDEMPTION/EXCHANGE OF SHARES

- 13.1. In circumstances where redemption requests on any Dealing Day are for Shares representing more than 10% of the Net Asset Value of any Fund in issue at the Valuation Point for that Dealing Day, the Company shall be at liberty to scale down the number of Shares to be redeemed in response to each request pro rata to such extent as may be necessary to ensure that the foregoing limit is not exceeded and may carry forward for redemption to the next following Dealing Day the balance of each request and so on to each succeeding Dealing Day until each request has been dealt with in full.
- 13.2. If in respect of any Applicant the redemption amount in respect of Shares held by him to be redeemed on any Dealing Day amount to more than 5% of the Net Asset Value of a Fund, the Directors shall have the power, at their sole discretion, to divide in specie the whole or any part of the Assets of the relevant Fund and shall have the right to elect by notice in writing to the Applicant (such notice to be sent by the Company to the Applicant by the relevant Settlement Date) to appropriate and transfer assets to him in full or part satisfaction of the Redemption Price or any part of the said Redemption Price (provided that such a distribution would not be prejudicial to the interests of the remaining Holders in such Fund). Alternatively, where it is not possible to transfer all or part of the Assets to the Applicant, the Company shall have the right to elect to sell all or any part of the Assets so appropriated and to arrange for the payment to the Applicant of the net proceeds of such sale in satisfaction or part satisfaction of the Redemption Price or any part of the Redemption Price. In addition, with the consent of the Applicant, the Company may, in circumstances not covered by the foregoing, appropriate and transfer Assets to him in full or part satisfaction of the Redemption Price or any part of the Redemption Price (provided that such a distribution would not be prejudicial to the interests of the remaining Holders in such Fund). In each case the allocation of Assets to the Applicant will be subject to the approval of the Depositary.
- 13.3. Where a notice of election is served under clause 13.2 on an Applicant, the Applicant may by a further notice served on the Company (such notice to be received by the Company within two Business Days of the deemed receipt by the Applicant of the notice of election served) require the Company instead of transferring the Assets in question to arrange:
 - 13.3.1. for a sale of the Assets; and
 - 13.3.2. for payment to the Applicant of the net proceeds of sale.

- 13.4. No such notice is required to be given by the Applicant where the Prospectus provides for an irrevocable instruction to be given by a Holder in the relevant Fund for such a sale and payment in these circumstances.
- 13.5. Where there is a transfer of Assets pursuant to clause 13.2, the Depositary shall transfer to the Applicant his proportionate share of the Assets of the relevant Fund. For the purposes of this clause **proportionate share** means such part of each type of Asset in the relevant Fund as is proportionate to or as nearly as practicable proportionate to the Applicant's share or such selection from the Assets of the relevant Fund as the Directors shall, following consultation with the Depositary, decide is reasonable having regard to the need to be fair both to the Applicant and continuing Holders in the relevant Fund.
- 13.6. Where there is to be a sale of Assets under clause 13.2:
- 13.6.1. the Company shall forthwith notify the Depositary of that fact and shall arrange for the sale of the Assets that would have been transferred under clause 13.2 (other than Assets which are in cash in the relevant currency for the purposes of the redemption); and
 - 13.6.2. the Depositary shall on receipt of such evidence of title as it may require pay to the Applicant the net proceeds of the sale and any relevant amounts in cash.
- 13.7. If any request to the Company to redeem Shares of any class shall reduce the number of Shares of the relevant class held by the Applicant below the Minimum Holding such request may be treated by the Directors as a request to redeem the Applicant's entire holding. The foregoing shall not prevent a redemption of the whole of a holding of shares of any class less than the Minimum Holding nor shall this clause apply in circumstances where as a result of the Company exercising its rights to scale down any redemption requests, in accordance with clause 13.2, a Holder's holding of Shares is reduced below the Minimum Holding.
- 13.8. If any redemption requests received by the Directors would necessitate, in the opinion of the Directors, the breaking of deposits at a penalty or the realisation of Investments at a discount below their value, as calculated in accordance with Appendix 3, the Redemption Price in respect of the relevant Shares may be reduced by a proportionate part of such reduction in value or penalty which will be suffered by the relevant Fund in such manner as the Directors may consider fair and equitable and which is approved by the Depositary. Alternatively, the Directors may arrange for the Company to borrow funds in accordance with Article 65 subject always to any borrowing restrictions in force in relation to the Company or the relevant Fund, and the costs of such borrowings may be apportioned as aforesaid to such extent as the Directors may consider fair and equitable.
- 13.9. For so long as the Company is required to have a minimum paid up share capital pursuant to Irish law, the Company will not be permitted to redeem Shares if, after payment of any amount in connection with such redemption, the Net Asset Value of the issued share capital of the Company would be equal to or less than the minimum share capital requirement or the foreign currency equivalent thereof. The foregoing shall not apply to a redemption request permitted by the Directors in contemplation of the dissolution of the Company in accordance with the Companies Act and where the Company's authorisation as an Undertaking for Collective Investment in Transferable Securities has been revoked by the Central Bank.
- 13.10. The Company may compulsorily redeem all of the Shares of any Fund if the Net Asset Value of the relevant Fund is less than the Minimum Fund Size.
- 13.11. The Directors reserve the right to withhold payment of redemption proceeds at their sole discretion for such period of time as they may think fit in circumstances where they determine it is appropriate or necessary to do so to comply with any anti-money laundering procedures and legislation or any regulation, code of practice or guidance note promulgated under legislation applicable to the Company or its service providers, directly or indirectly, in any jurisdiction.

14. NO SHARES REDEEMED WHEN CALCULATION OF NET ASSET VALUE SUSPENDED

The Directors may, in their absolute discretion, determine that no Shares will be redeemed and no redemption proceeds paid during any period when the determination of the Net Asset Value of the relevant Fund is suspended pursuant to clause 16. Holders applying for redemption of their Shares will be notified of such suspension at the time of application. Any application which is not withdrawn shall, subject to the provisions of these Articles, be dealt with on the first Dealing Day for the relevant Fund after such suspension is lifted.

DETERMINATION OF NET ASSET VALUE

15. DETERMINATION OF NET ASSET VALUE

The Net Asset Value of a Fund shall be determined in accordance with Appendix 3.

16. SUSPENSION OF DETERMINATION OF NET ASSET VALUE/POSTPONEMENT OF A DEALING DAY

16.1. The Directors may at any time declare a temporary suspension of the determination of the Net Asset Value of a Fund and the issue, redemption and exchange of Shares and the payment of redemption proceeds during:

- 16.1.1. any period when dealing in the units/shares of any collective investment scheme in which a Fund may be substantially invested are restricted or suspended; or
- 16.1.2. any period when any of the principal Recognised Markets on which a substantial portion of the Investments of the relevant Fund from time to time are quoted, listed or dealt is closed, or during which dealings therein are restricted or suspended; or
- 16.1.3. any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial portion of the Investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of the Holders of the relevant Fund or if, in the opinion of the Directors, the Net Asset Value of the Fund cannot be fairly calculated; or
- 16.1.4. any breakdown in the means of communication normally employed in determining the price of a substantial portion of the Investments of the relevant Fund or when for any other reason the current prices on any Recognised Markets of any of the Investments of the relevant Fund cannot be promptly and accurately ascertained; or
- 16.1.5. any period during which any transfer of funds involved in the realisation or acquisition of Investments of the relevant Fund cannot, in the opinion of the Directors, be effected at normal prices or rates of exchange; or
- 16.1.6. any period when the Company is unable to repatriate funds required for the purpose of making payments due on the redemption of Shares in the relevant Fund; or
- 16.1.7. any period when the Directors consider it to be in the best interest of the relevant Fund; or
- 16.1.8. any period following the circulation to Holders of a notice of a general meeting at which a resolution proposing to wind up the Company or terminate the relevant Fund is to be considered; or
- 16.1.9. when any other reason makes it impracticable to determine the value of a meaningful portion of the Investments of the Company or any Fund; or

- 16.1.10. any period during which the Directors, in their discretion, consider suspension to be required for the purposes of effecting a merger, amalgamation or restructuring of a Fund or of the Company.
- 16.2. Any such suspension shall take effect at such time as the Directors shall declare but not later than the close of business on the Business Day next following the declaration and thereafter there shall be no determination of the Net Asset Value of the relevant Fund and no issues, redemptions or exchanges of Shares of the relevant Fund and no redemption proceeds paid until the Directors shall declare the suspension at an end.
- 16.3. The Directors may postpone any Dealing Day for a Fund to the next Business Day if in the opinion of the Directors, a substantial portion of the Investments of the relevant Fund cannot be valued on an equitable basis and such difficulty is expected to be overcome within one Business Day.
- 16.4. The determination of the Net Asset Value of a Fund shall also be suspended where such suspension is required by the Central Bank in accordance with the Companies Act or the Regulations.

17. NOTIFICATION OF SUSPENSION TO COMPETENT AUTHORITY, STOCK EXCHANGES AND HOLDERS

Any such suspension of the determination of the Net Asset Value of a Fund shall be notified to the Central Bank immediately and in any event within the same Business Day on which such suspension occurred. If the Shares are listed on the official list and trading on the main securities market of the Irish Stock Exchange or any other exchange any such suspension shall be notified to the Irish Stock Exchange and such other exchange within the time frame specified above. Details of any such suspension will also be notified to all Holders if in the opinion of the Directors, it is likely to exceed 14 days. The suspension will also be communicated as necessary to the competent authorities in any country in which the Shares are registered for sale (if required).

COMPULSORY REDEMPTION OR TRANSFER OF SHARES

18. COMPULSORY REDEMPTION OR TRANSFER OF SHARES

- 18.1. The Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Shares of any class are acquired or held directly or beneficially by a person or an entity who/which is in the opinion of the Directors any of the following:
 - 18.1.1. who is or will hold Shares for the benefit of a U.S. Person (unless the Directors determine (i) the transaction is permitted under an exemption from registration available under the securities laws of the United States and (ii) that the relevant Fund and the Company continue to be entitled to an exemption from registration as an investment company under the securities laws of the United States if such person holds Shares);
 - 18.1.2. any person who does not clear such money laundering checks or provide the required tax documentation or such supporting documentation as the Directors may determine; or who has failed to furnish the Directors with such evidence and/or undertakings as they may require for the purpose of any restrictions imposed for compliance with any anti-money laundering provisions applicable to the Company;
 - 18.1.3. under the age of 18 (or such other age as the Directors may think fit); or
 - 18.1.4. has breached or falsified representations on subscription documents (including as to its status under ERISA); or
 - 18.1.5. has breached of any law or requirement of any country or government or supranational authority or by virtue of which such person or entity is not qualified to hold Shares or in the

opinion of the Directors, such redemption would eliminate or reduce the exposure of the Company or the Holders to adverse tax consequences or other consequences under the laws of any country; or

- 18.1.6. if the holding of the Shares by that person or entity is unlawful or is less than the Minimum Holding set for that class of Shares or in order to satisfy any fees, costs or expenses owed or payable by any Holder of the relevant class or classes.; or
- 18.1.7. in circumstances which (whether directly or indirectly affecting such person or persons or entity, and whether taken alone or in conjunction with any other persons or entities, connected or not, or any other circumstances appearing to the Directors to be relevant), in the opinion of the Directors, might result in the Company or a particular Fund incurring any disadvantageous regulatory liability, liability to taxation or suffering any other pecuniary legal or material administrative disadvantage (including endeavouring to ensure that the relevant Fund's assets are not considered plan assets for the purpose of ERISA) or being in breach of any law or regulation which the Company or the relevant Fund might not otherwise have incurred or suffered or breached (including without limitation, where a Holder fails to provide the Company with information required to satisfy any automatic exchange of information obligations under, for example, FATCA of a Fund, the Company, the Depositary, the administrator, the Investment Manager or any delegate thereof); or
- 18.1.8. in circumstances which might result in the relevant Fund being required to comply with registration or filing requirements in any jurisdiction with which it would not otherwise be required to comply or is otherwise prohibited by the Articles.

References in these Articles to **Permitted Investor** means any person other than any of the persons specified above.

- 18.2. Notwithstanding any other provisions in these Articles and where so required by the terms of the Prospectus, each Shareholder of Shares of a Fund or class thereof, as the case may be, where such Fund or class seeks to maintain a stable Net Asset Value per Share, shall be deemed to have provided a standing request to the Company ("**Standing Request**") to automatically redeem such number of their Shares on any Dealing Day, which represent the Shareholder's pro-rata share of any Negative Yield experienced by that Fund or class of Shares (in accordance with the formula set out in the Prospectus) and, when any such redemption is effected, the Company shall use any such redemption proceeds to discharge the Shareholder's pro-rata share of such Negative Yield arising.
- 18.3. The Directors shall, unless any Director has reason to believe otherwise, be entitled to assume without enquiry that none of the Shares are held in such a way as to entitle the Directors to give a notice in respect thereof pursuant to clause 18.4. The Directors may, however, upon an application for Shares or at any other time and from time to time require such evidence and/or undertakings to be furnished to them in connection with the matters stated in clause 18.1 as they shall in their discretion deem sufficient or as they may require for the purpose of any restriction imposed pursuant thereto or for compliance with any anti-money laundering provisions applicable to the Company. In the event of such evidence and/or undertakings not being so provided within such reasonable period (not being less than twenty-one days after service of notice requiring the same) as may be specified by the Directors in the said notice, the Directors may, in their absolute discretion, treat any Shares held by such a Holder or joint Holder as being held in such a way as to entitle them to serve a notice in respect thereof pursuant to clause 18.4.
- 18.4. If it shall come to the notice of the Directors, or the Directors shall have reason to believe, that any Shares are or may be owned or held directly or beneficially by any person who is not a Permitted Investor (the **relevant shares**), the Directors may give notice (in such form as the Directors deem appropriate) to the person in whose name the relevant shares are registered requiring him to transfer (and/or procure the disposal of interests in) the relevant shares to a person who is in the opinion of the Directors a Permitted Investor or to give a request in writing for the repurchase of the relevant shares in accordance with Clause 12. If any person upon whom such a notice is served pursuant to this clause

does not within twenty-one days after the giving of such notice (or such extended time as the Directors in their absolute discretion shall consider reasonable) transfer the relevant shares to a Permitted Investor, or establish to the satisfaction of the Directors (whose judgement shall be final and binding) that he is not subject to such restrictions, the Directors may in their absolute discretion upon the expiration of such twenty-one days either arrange the transfer of all the relevant shares to a Permitted Investor in accordance with clause 18.5 below or arrange for the relevant shares to be redeemed by the Company at the relevant Redemption Price. The Holder of the relevant shares shall be bound forthwith to deliver his Share certificate (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the transfer or redemption, as the case may be, of the relevant shares by the Company.

- 18.5. A person who is not a Permitted Investor becomes aware that he holds or owns relevant shares shall forthwith unless he has already received a notice pursuant to clause 18.4 transfer all his relevant shares to a Permitted Investor or with the approval of the Directors request the redemption of the Shares.
- 18.6. A transfer of relevant shares arranged by the Directors pursuant to clause 18.4 shall be by way of sale at the best price reasonably obtainable and may be of all of or part only of the relevant shares with a balance available for transfer to other Permitted Investors or redeemed by the Company. Any payment received by the Company for the relevant shares so transferred shall be paid to the person whose Shares have been so transferred subject to clause 18.7.
- 18.7. Payment of any amount due to such person pursuant to clauses 18.4, 18.5 and 18.6 shall be subject to any requisite exchange control consents first having been obtained and the Company not being in breach of any other law or regulation. The amount due to such person will be deposited by the Company in a bank for payment to such person upon such consents being obtained and against surrender of the Share certificate, if any, representing the relevant shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such relevant shares or any of them or any claim against the Company in respect thereof except the right to receive such amount so deposited (without interest) upon such consents as aforesaid being obtained.
- 18.8. Notwithstanding any other provisions of these Articles, where the Company is required to pay tax on the transfer of an entitlement to a Share by a Holder who is or is deemed to be a Taxable Irish Person or is acting on behalf of such a person or on the occurrence of chargeable events as defined in section 739(B)(1)(ccc) and (d) TCA or on account of any automatic exchange of information obligation, the Company shall be entitled to appropriate or cancel a sufficient portion of the Holder's Shares and to appropriate the proceeds thereof as is necessary to discharge the amount of taxation payable in respect of the transfer or the relevant chargeable event.
- 18.9. Notwithstanding any other provisions of these Articles where the Company is required to pay any tax as a consequence of making any payment to a Shareholder, the Company shall be entitled to deduct from the payment to be made to the Shareholder an amount equal to the tax attributable to that payment.
- 18.10. The Directors shall not be required to give any reasons for any decision, determination or declaration taken or made in accordance with this clause 18. The exercise of the powers conferred by this clause shall not be questioned or invalidated in any case on the grounds that there was insufficient evidence of direct or beneficial ownership of Shares by any person or that the true, direct or beneficial owner of any Shares was otherwise than appeared to the Directors at the relevant date provided that the powers shall be exercised in good faith.
- 18.11. In addition, the Directors may provide for the mandatory redemption of Shares in other circumstances and under such conditions (including without notice as the case may be) as set out in the Prospectus and redeem such Shares accordingly.

INVESTMENT OF ASSETS

19. INVESTMENT OF ASSETS OF THE COMPANY

- 19.1. The Directors shall subject to the restrictions and limits imposed under the Articles, the Regulations and the Money Market Fund Regulation (for Money Market Funds) determine the investment objectives and policies (including the permissible forms of Investments) and restrictions applying to the Company and any Fund and the Assets shall be invested in accordance with the investment objectives, policies and restrictions determined by the Directors.
- 19.2. With the exception of permitted investments in unlisted securities or over-the-counter derivatives or in units of open ended collective investment schemes or other unlisted assets, the Company and each Fund will only invest in those securities and derivative instruments listed or traded on a Recognised Market which meets with the regulatory criteria (regulated, operates regularly, is recognised and open to the public) and which is listed in the Prospectus.
- 19.3. Subject to the Regulations, the Directors may decide to invest up to 100% of the Net Asset Value of a Fund that is not a Money Market Fund in any of the Specific Investments.
- 19.4. Subject to Article 17(7) of the Money Market Fund Regulation, the Directors may decide to invest up to 100% of the Net Asset Value of a Money Market Fund in any money market instruments issued or guaranteed separately or jointly by, The European Union, National, regional and local administrations of the Member States or their central banks, European Central Bank, European Investment Bank, European Investment Fund, European Stability Mechanism, European Financial Stability Facility, A central authority or central bank of a third country, International Monetary Fund, The International Bank for Reconstruction & Development, The Council of Europe Development Bank, The European Bank for Reconstruction & Development, The Bank for International Settlements or such other institution or organisation as may be permitted by the Central Bank from time to time and set out in the Prospectus.
- 19.5. A Fund may invest a maximum of 10% of Net Asset Value in other collective investment schemes as defined in and permitted by the Regulations, unless otherwise set out in the Prospectus.
- 19.6. Subject to and in accordance with the Regulations and the prior approval of the Central Bank, the Company may wholly-own subsidiaries, which for fiscal or other reasons the Directors consider it necessary or desirable for the Company to incorporate or acquire or utilise for the purpose of entering into transactions or contracts and/or holding certain of the Investments or other property comprised in the assets of the relevant Fund(s). Any such subsidiary will only be established in the cases and under the conditions identified in the Regulations. None of the limitations or restrictions determined to apply to the Company or any Fund by the Directors shall apply to investments in, loans to or deposits with any such entity. For the purpose of this clause 19, the investments or other property acquired by any such entity shall be deemed to be an Asset of the relevant Fund and shall be held by the Depositary or its nominees or otherwise in accordance with the requirements of the Central Bank. All Shares and Share certificates issued relating to a Fund in respect of its holding in any such entity shall be held by the Depositary or its nominees or otherwise in accordance with the requirements of the Central Bank.
- 19.7. The Directors may decide to invest in collective investment undertakings with which the Company is linked by common management or control or by a substantial direct or indirect link.
- 19.8. Subject to the Regulations, the Directors may decide to retain, during such time or times as they think fit, all or any amount of cash of any Fund in any currency or currencies either in cash or on deposit with, or in certificates of deposit or other banking instruments issued by, the Depositary or any banker or other financial institution in any part of the world including any appointee of the Company or any associate or affiliate of such appointee.
- 19.9. Subject to the investment objectives, policies and restrictions determined by the Directors, the Company may acquire or utilise derivative contracts of any description under any conditions and within any limits applicable to the Company laid down by the Central Bank from time to time for the purposes of the Companies Act.

DEPOSITARY

20. APPOINTMENT OF DEPOSITARY

The Directors shall subject to the prior approval of the Central Bank appoint a Depositary and shall entrust the Assets to the Depositary who shall be responsible for the safe keeping of all the Assets (including any shares or assets of a subsidiary of the Company), perform its duties prescribed by the Companies Act and the Regulations and perform such other duties upon such terms as the Directors may, from time to time, (with the agreement of the Depositary) determine.

21. APPOINTMENT OF SUB-CUSTODIANS

The Depositary may pursuant to the Depositary Agreement, appoint sub-custodians, nominees, agents or other delegates to perform in whole or in part any of its duties or exercise any of its discretions as a Depositary. For the avoidance of doubt, the Depositary may not delegate the performance of any of its fiduciary duties or discretions and its liability shall not be affected by the fact that it has entrusted to a third party some or all of the Assets in its safe-keeping unless permitted by the Regulations and in accordance with the terms of the Depositary Agreement.

22. REMUNERATION OF DEPOSITARY

22.1. In consideration for its services as Depositary, the Depositary shall be entitled to be paid by or on behalf of the Company out of the property of the Company or in such other manner as may be agreed in writing between the Company and the Depositary:

22.1.1. a fee of such amount specified in the Depositary Agreement; and

22.1.2. reasonable expenses and disbursements incurred by the Depositary in the performance of its functions and all other charges or fees expressly authorised by the Depositary Agreement;

and the Depositary shall not be obliged to account to the Holders or any of them for any payment received in accordance with the foregoing provisions.

23. RETIREMENT OR REPLACEMENT OF DEPOSITARY

23.1. Subject to the prior approval of the Central Bank, and in accordance with the terms of the Depositary Agreement, the Depositary may be removed or retire and a new Depositary appointed in the manner specified in clause 23.2.

23.2. In the event of the Depositary desiring to retire or on being removed in accordance with clause 23.1 and in the interests of seeking to protect Shareholders in the event of the replacement of the Depositary, the Company shall with the prior approval of the Central Bank appoint a duly qualified corporation which is approved by the Central Bank to be the Depositary in place of the Depositary so retiring or being removed on or before the date on which such retirement or removal is to take effect. - 27.2. In the event of an Equalisation Account being operated in respect of any Fund, all Equalisation Payments received in accordance with clause 27.4, or deemed to have been received, shall be credited to the Equalisation Account in respect of the relevant Fund. Equalisation Account at the date to which the relevant dividend relates, by the number of shares in respect of which such capital sums are payable **PROVIDED** that in so doing such Shares may be divided into two or more groups issued within different periods of time as may be selected by the Directors in any one accounting period and the capital sum payable on each Share in each such group shall be a sum calculated by dividing the aggregate of all Equalisation Payments standing to the credit of the relevant Equalisation Account in respect of the Shares of each such group by the number of Shares in such group. Provided further that in no circumstances shall the capital sum payable in respect of any one Share pursuant to this clause exceed the amount of the dividend declared on such Share.

- 27.5. Without prejudice as to the generality of these Articles, any manager or the Investment Manager may purchase on any Dealing Day Shares of any class at not less than the Subscription Price (in respect of a purchase from the Company) or the Redemption Price (in respect of a purchase from a Holder) as at the relevant Dealing Day. Any amount payable by any manager or the Investment Manager in respect of the purchase of Shares shall be paid not later than the relevant Settlement Date.
- 28.2. - 28.4. In respect of any such cancellation of Shares, any manager or the Investment Manager shall be entitled to receive out of the relevant Fund an amount equal to the Redemption Price that would be payable in respect of such Shares if they were redeemed as at that Dealing Day pursuant to the provisions of these Articles. Any amount payable to any manager or the Investment Manager on foot of such request for cancellation shall be payable not later than the relevant Settlement Date. 30. LIQUIDITY MANAGEMENT PROCEDURES

- 30.1. Appendix 3

1. DETERMINATION OF NET ASSET VALUE

- 1.1. The Net Asset Value of any Fund (i.e. the value of the assets of a Fund having deducted the liabilities (excluding Holders equity) of that Fund) or any class thereof or Share shall be expressed in the currency in which the Fund or the Shares are designated or in such other currency as the Directors may determine, from time to time, and shall be determined, in accordance with the valuation rules set out hereafter.
- 1.2. For the purposes of such valuation, Assets (which shall include assets of its wholly owned subsidiaries) shall be determined to include but are not limited to:
 - 1.2.1. all cash in hand, on deposit, or on call including any interest accrued thereon as at the relevant Valuation Point and all accounts receivable;
 - 1.2.2. all bills, demand notes, certificates of deposit, and promissory notes;
 - 1.2.3. all bonds, shares, stock, securities, obligations, leveraged loans, debentures, debenture stock, forward rate agreements, subscription rights, warrants, promissory notes, futures contracts, options, commodities, asset backed securities, mortgage backed securities, swap contracts, contracts for differences, fixed rate securities, variable and floating rate securities, securities in respect of which the return and/or repurchase amount is calculated by reference to any index, price or rate, monetary and financial instruments of all kinds;
 - 1.2.4. all stock and cash dividends and cash distributions to be received by the Company and not yet received by it but declared to stockholders of record on a date on or before the relevant Valuation Point as at which the Net Asset Value is determined;
 - 1.2.5. all interest accrued on or before the relevant Valuation Point on any interest-bearing securities owned by the Company except to the extent that the same is included or reflected in, the principal value of such security;
 - 1.2.6. all other Investments of the Company;
 - 1.2.7. the preliminary expenses incurred in establishing the Company and its Funds and creating classes of Shares which are payable by the Company and which may include the cost of issuing, distributing, marketing and promoting Shares insofar as the same have not been written off; and
 - 1.2.8. all other Assets of the Company of every kind and nature including prepaid expenses as valued and defined from time to time by the Directors.
- 1.3. The Directors shall be entitled to determine in relation to any preliminary costs, charges, fees and expenses that the same may be amortised over such period as they think fit.
- 1.4. When using mark-to-market or mark-to-model pricing methodologies, the Assets and liabilities of a Fund will be valued as follows:
 - 1.4.1. Assets listed or traded on a Recognised Market (other than those referred to at 1.4.7 and 1.4.12 for which market quotations are readily available shall be valued at the last traded price on the principal Recognised Market for such Investment as at the Valuation Point for the relevant Dealing Day if the principal Recognised Market has closed or, if unavailable, the latest mid-market price if calculable, being the mean price between bid and offer prices for such security last available at the Valuation Point provided that the value of any Investment listed on a Recognised Market but acquired or traded at a premium or at a discount outside the relevant Recognised Market may with the approval of the Depository be valued taking into account the level of premium or discount as at the date of valuation of the Investment.

Such premiums or discounts thereon above shall be provided by an independent broker or market maker or if such premiums/discounts are unavailable, by the Investment Manager. However, the Directors or their delegate may adjust the value of Investments traded on a market if the Directors or their delegate consider such adjustment is required to reflect the fair value thereof in the context of currency, marketability, dealing costs and/or such other considerations as are deemed relevant.

- 1.4.2. If for specific Assets the last traded price or latest midmarket price, as applicable, do not, in the opinion of the Directors or their delegate, reflect their fair value or are not available, the value shall be calculated with care and in good faith by the Directors by a competent person appointed by the Directors (being approved by the Depositary as a competent person for such purpose), in consultation with the Investment Manager with a view to establishing the probable realisation value for such Assets as at the Valuation Point for the relevant Dealing Day.
- 1.4.3. If the Assets are quoted, listed or traded on several Recognised Markets the Directors shall in their absolute discretion select any one of such Recognised Markets which they determine provides the fairest criteria in a value for the security for the foregoing purposes.
- 1.4.4. In the event that any of the Investments as at the Valuation Point for the relevant Dealing Day are not quoted, listed or traded on any Recognised Market or of any investment which is normally quoted, listed or dealt in on a market but in respect of which no price is currently available or the current price of which does not in the opinion of the Directors represent fair market value, shall be the probable realisation value estimated with care and in good faith by the Directors or their duly authorised delegate or by a competent person appointed by the Directors or their duly authorised delegate, in each case approved, for such purpose, by the Depositary or any other means provided that the value is approved by the Depositary. In determining the probable realisation value of any such investment, the Directors or their duly authorised delegate may accept a certified valuation from a competent independent person or in the absence of any independent person, the Investment Manager and/or investment adviser (notwithstanding that a conflict of interests arises because the Investment Manager and/or investment adviser has an interest in the valuation), who in each case shall have been approved for such purposes by the Depositary to value the relevant securities. Where reliable market quotations are not available for fixed income securities, the value of such securities may be determined by reference to the valuation of other securities which are comparable in rating, yield, due date and other characteristics. The matrix methodology will be compiled by the Directors or their duly authorised delegate, a competent person, firm or corporation appointed by the Directors or their duly authorised delegate and in each case approved for such purpose by the Depositary or any other means provided that the value is approved by the Depositary.
- 1.4.5. Cash in hand or on deposit and other liquid assets (including demand notes, promissory notes and accounts receivable) together with prepaid expenses, cash dividends, interest declared or accrued but not yet received and tax reclaims filed but not yet received to the relevant Valuation Point will normally be valued at their face value together with interest declared or accrued but not yet received to the relevant Valuation Point unless in any case the Directors or their duly authorised delegate are of the opinion that the same is unlikely to be paid or received in full in which case the value thereof shall be arrived at after making such discount as the Directors or their duly authorised delegate may consider appropriate in such case to reflect the true value thereof as at the relevant Valuation Point.
- 1.4.6. Certificates of deposit, treasury bills, bank acceptances, trade bills and other negotiable instruments of a maturity of six months or less shall each be valued on a "straight line" basis by which the difference between their gross costs and their value at maturity (including interest accrued at maturity) is divided by the number of days from acquisition to maturity and the appropriate sum is added daily. Certificates of deposit, treasury bills, bank acceptances, trade bills and other negotiable instruments with a maturity of greater than six months that

are unlisted shall each be valued in accordance with the valuation provisions applying to unlisted securities and those that are listed shall each be valued in accordance with the valuation provisions applying to listed securities provided for above.

- 1.4.7. The value of units or shares or other similar participation in any collective investment scheme, which provides for the units or shares or other similar participations therein to be redeemed at the option of the holder out of the assets of that undertaking, shall be the latest available net asset value per unit or share or other similar participation as published by the relevant collective investment scheme after deduction of any repurchase charge as at the relevant Valuation Point or if bid and offer prices are published the price midway between the last available bid and offer prices.
 - 1.4.8. Any value expressed otherwise than in the base currency of the relevant Fund (whether of an investment or cash) and any Currency Share Class means a class of shares denominated in a currency other than the base currency of the relevant Fund. Borrowing shall be converted into the base currency at the rate (whether official or otherwise) which the Directors deem appropriate in the circumstances.
 - 1.4.9. Forward foreign exchange contracts which are dealt in on a Market shall be valued by reference to freely available market maker quotations, namely, the price at which a new forward contract of the same size and maturity could be undertaken provided that if such price is not available, the value of any such forward foreign exchange contracts shall be valued in the same manner as over-the-counter derivatives.
 - 1.4.10. The value of any off-exchange traded derivative contracts shall be the quotation from the counterparty to such contracts at the Valuation Point and shall be valued daily. The valuation will be approved or verified at least weekly by a party independent of the counterparty who has been approved for such purpose by the Custodian.
 - 1.4.11. Alternatively, the value of any over-the-counter derivative contract may be the quotation from an independent pricing vendor or that calculated by the Company itself and shall also be valued daily.
 - 1.4.12. The value of any exchange traded futures contracts, share price index futures contracts and options and other derivative contracts shall be the settlement price, as determined by the Market in question, as at the relevant Valuation Point, provided that where it is not the practice for the relevant Market to quote a settlement price or such settlement price is not available for any reason as at the relevant Valuation Point, such value shall be the probable realisation value estimated with care and in good faith by the Directors or their duly authorised delegate or by a competent person appointed by the Directors or their duly authorised delegate, in each case approved, for such purpose, by the Depositary or any other means provided that the value is approved by the Depositary. In determining the probable realisation value of any such investment, the Directors or their duly authorised delegate may accept a certified valuation from a competent independent person or in the absence of any independent person, the Investment Manager and/or investment adviser (notwithstanding that a conflict of interests arises because the Investment Manager and/or investment adviser has an interest in the valuation), who in each case shall have been approved for such purposes by the Depositary to value the relevant securities.
- 1.5. Money market instruments in a non-money market Fund may be valued by the Directors or the competent person at their amortised cost, in accordance with the Central Bank's requirements.
 - 1.6. The Assets and liabilities of a Money Market Fund will be valued as follows:
 - 1.6.1. The assets of the Money Market Fund shall be valued using mark-to-market whenever possible subject to the derogation set out in paragraphs 1.6.5 and 1.6.6 below.

- 1.6.2. When using mark-to-market, the assets of the Money Market Fund shall be valued at the more prudent side of bid and offer unless the asset can be closed out at mid-market. The Directors will only use good quality market data.
- 1.6.3. Where the use of the mark-to-market method is not possible or the market data is not of sufficient quality, an asset shall be valued conservatively by using the mark-to-model method. The model shall accurately estimate the intrinsic value of the asset of a Money Market Fund, based on the following up-to-date key factors:
- the volume and turnover in the market of that asset;
 - the issue size and the portion of the issue that the Money Market Fund plans to buy or sell; and
 - Market risk, interest rate risk, credit risk attached to the asset.
- 1.6.4. When using the mark-to-model, the amortised cost method shall not be used.
- 1.6.5. By way of derogation from the above, the assets of a Money Market Fund which is a Low Volatility NAV Money Market Fund that have a residual maturity of up to 75 days may be valued using amortised cost method.

The amortised cost method shall only be used for valuing an asset of a Low Volatility NAV Money Market Fund in circumstances where the price of that asset calculated in accordance with the paragraphs 1.6.1 to 1.6.3 does not deviate from the price of that asset calculated in accordance with the amortised cost method by more than 10 basis points. In the event of such deviation, the price of that asset shall be calculated in accordance with paragraphs 1.6.1 to 1.6.3 (as applicable).

- 1.6.6. Notwithstanding the foregoing paragraphs 1.6.1 to 1.6.3, the assets of a Public Debt CNAV Money Market Fund may be valued using the amortised cost method.
- 1.6.7. Any Public Debt CNAV Money Market Fund or Low Volatility NAV Money Market Fund shall calculate a constant Net Asset Value per share as the difference between the sum of all of its assets valued in accordance with the amortised cost method as described below and the sum of all its liabilities divided by the number of its outstanding shares. The amortised cost method of valuation involves taking the acquisition cost of an asset and adjusting that value for amortisation of premiums or discounts until maturity rather than using the current market value of that asset.
- 1.6.8. The constant Net Asset Value per share of a Public Debt CNAV Money Market Fund or Low Volatility NAV Money Market Fund shall be rounded to the nearest percentage point or its equivalent when the constant Net Asset Value is published in a currency unit. The constant Net Asset Value per Share shall be calculated at least on each Dealing Day.
- 1.6.9. Any Variable NAV Money Market Fund shall calculate the Net Asset Value per share as the difference between the sum of all of its assets and the sum of all its liabilities valued in accordance with the mark-to-market or mark-to-model, or both, divided by the number of outstanding shares of the Fund. The Net Asset Value per Share shall be rounded to at least the nearest basis point or its equivalent when the Net Asset Value is published in a currency unit. The Net Asset Value per share shall be calculated and published at each Dealing Day.
- 1.6.10. The assets of each Money Market Fund shall be valued on a daily basis and the Net Asset Value per Share of each Money Market Fund shall be calculated at least daily.
- 1.7. Notwithstanding the foregoing, an Investment Manager may be appointed as a competent person by the Directors, subject to the approval of the Depositary.

- 1.8. In the event the Shares of any Fund are further divided into classes and/or series, the Net Asset Value per Share of the relevant class and/or series shall be determined by notionally allocating the Net Asset Value of the Fund amongst the relevant classes and/or series making such adjustments for subscriptions, redemptions, fees, dividends accumulation or distribution of income and the expenses, liabilities or assets attributable to each such relevant class and/or series (including the gains/losses on and costs of financial instruments employed for currency hedging between the currencies in which the assets of the Fund are designated and the designated currency of the relevant class/series, which gains/losses and costs shall accrue solely to that relevant class/series) and any other factor differentiating the relevant classes and/or series as appropriate. The Net Asset Value of the Fund, as allocated between each class and/or series, shall be divided by the number of shares of the relevant class or series which are in issue or deemed to be in issue and rounding the result so determined to the number of decimal places as determined by the Directors from time to time and set out in the Prospectus or as provided for above for Public Debt CNAV Money Market Funds and Low Volatility NAV Money Market Funds.
- 1.9. Notwithstanding the foregoing valuation rules, in the event of substantial or recurring net subscriptions, the Directors or their authorised delegate may adjust the Net Asset Value per Share to reflect the value of the Company's Investments using the highest market dealing offer price as at the relevant Valuation Point in order to preserve the value of the shareholding of continuing Holders. In the event of substantial or recurring net repurchases, the Directors may adjust the Net Asset Value per Share to reflect the value of the Company's Investments using the lowest market dealing bid price as at the relevant Valuation Point in order to preserve the value of the shareholding of continuing Holders. For the avoidance of doubt, in such cases a sum representing a provision for Duties and Charges may be applied to the Net Asset Value. Where any such adjustment is made, it shall be applied consistently with respect to the assets of the Fund and no additional Anti-Dilution Levy will be applied.
- 1.10. If in any case a particular value is not ascertainable as provided above or if the Directors or their duly authorised delegate shall consider that some other method of valuation better reflects the fair value of the relevant Investment, then in such case the method of valuation of the relevant Investment shall be such as the Directors or their duly authorised delegate in their absolute discretion shall determine, such method of valuation to be approved by the Depositary.
- 1.11. Notwithstanding the generality of the foregoing, the Directors or their duly authorised delegate may with the approval of the Depositary adjust the value of any such security if having regard to currency, applicable rate of interest, anticipated rate of dividend, maturity, marketability, liquidity and/or such other considerations as they or their duly authorised delegate may deem relevant, they or their duly authorised delegate consider that such adjustment is required to reflect the fair value thereof as at the relevant Valuation Point
- 1.12. Fair value pricing may be used in a variety of circumstances including but not limited to a situation where the value of an investment has been materially affected by events occurring after the close of the market on which the Investment is principally traded (such as a corporate action) or other means that may materially affect the price of the Investment) or trading has been suspended or halted. In addition it is expected that equities will be priced using this method each day the Company calculates its Net Asset Value.
- 1.13. Notwithstanding the foregoing, where at any Valuation Point any Asset of the Company has been realised or contracted to be realised there shall be included in the Assets of the Company in place of such Asset the net amount receivable by the Company in respect thereof, provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Directors as receivable by the Company. If the net amount receivable is not payable until some future time after the Valuation Point in question the Directors shall make such allowance as they consider appropriate to reflect the true current value thereof as at the relevant Valuation Point.
- 1.14. For the purposes of this Appendix:

- 1.14.1. monies payable to the Company in respect of the allotment of Shares shall be deemed to be an Asset of the Company as of the time at which such Shares are deemed to be in issue in accordance with clause 2.4;
 - 1.14.2. monies payable by the Company as a result of the cancellation of allotments or on the compulsory redemption or transfer of Shares or on redemption of Shares shall be deemed to be a liability of the Company from the time at which such Shares are deemed to cease to be in issue in accordance with clause 2.4 or 11.
 - 1.14.3. monies due to be transferred as a result of an exchange of Shares to another pursuant to an exchange notice shall be deemed to be a liability of the first class and an Asset of the new class immediately after the Valuation Point for the Dealing Day on which the Exchange Notice is received or deemed to be received in accordance with clause 8.
- 1.15. Where the current price of an Investment is quoted ~~ex~~ any dividend (including stock dividend), interest or other rights to which the relevant Fund is entitled but such dividend, interest or the property to which such rights relate has not been received and is not taken into account under any other provisions of this Appendix 3, the amount of such dividend, interest, property or cash shall be treated as an Asset of the relevant Fund.
- 1.16. For the purposes of ascertaining or obtaining any price, quotation, rate or other value referred to in this Appendix 3 for use in determining the value of any Asset, the Directors shall be entitled to use, or may authorise any delegate of the Company to use, the services of any recognised information or pricing service.
- 1.17. Any valuations made pursuant hereto shall be binding on all persons.
- 1.18. The liabilities of the Company and where the context so admits or requires any Fund shall be deemed without limitation to include:
- 1.18.1. the costs of dealing in the Assets;

- 1.18.12. costs and expenses incurred in modifying the Articles and in respect of any agreement entered into by or in relation to the Company from time to time;
