18 September 2025

Dear Shareholder,

We refer to the share class(es) listed in Appendix 1 of which you are a Shareholder (the “**Share Classes**”).

Delisting notice

The purpose of this letter is to advise you of the decision taken to delist the Share Classes from certain stock exchanges as outlined in the Appendix (the “**Delisting**”), on the dates shown below for Euronext Paris, Euronext Milan, and on Six Swiss Exchange (each a “**Target Delisting Date**”).

Exchange	Expected Final Exchange Trading Date	Target Delisting Date
Euronext Milan	29 October 2025	30 October 2025
Euronext Paris	29 October 2025	30 October 2025
Six Swiss Exchange	29 December 2025	30 December 2025

The Directors, together with the Investment Manager, regularly review the stock exchanges on which the Share Classes are listed to ensure there is sufficient demand on each stock exchange to ensure higher trading volumes and tighter bid-offer spreads. Following the most recent review, the Directors, in consultation with the Investment Manager, have determined it to be in the best interests of Shareholders to concentrate listings of the Share Classes on a smaller number of stock exchanges and so have determined to effect the Delisting.

Please note that Shares in each of the funds referred to above will remain listed on at least one European stock exchange.

Please note that each Share Class will remain open for dealing notwithstanding the Delisting.

It should be noted that the Delisting applies only to the Share Classes listed in this letter and does not affect shareholdings in any other share classes of sub-funds of the Company.

Procedure for Delisting

From the date of this letter, you can continue to buy and sell Shares in the Share Classes on the stock exchanges on which they are listed. Following the Delisting Date, you can continue to hold Shares in the Share Classes that have been delisted but you will no longer be able to sell those Shares on the stock exchanges from which they will be delisted. You will be able to sell those Shares on any of the remaining stock exchanges but there may be additional costs associated with using another stock exchange.

In view of the above, Shareholders are strongly advised to consult with their brokers or financial advisors on the options available to them and obtain the necessary advice.

Tax considerations

If you are in any doubt as to the tax consequences, you should contact your financial or tax advisor.

Conclusion

Should you have any questions relating to the content of this letter, you should contact your sales representative or your professional adviser or the Administrator or, alternatively, you should contact your investment consultant and/or legal adviser, as appropriate.

Additional information relating to the Share Classes and their funds are available by choosing your local website at www.global.assetmanagement.hsbc.com or from the registered office.

Yours sincerely,
