This document contains important information about the sub-fund(s) in which you are invested

Dear Shareholder,

We are writing to inform you of some changes we are making to the regulatory disclosures for the Asian Equity sub-funds listed below (the "Sub-Funds"). Our records show that you hold Shares in one or more of these Sub-Funds which are Article 8 Sub-Funds under the Sustainable Finance Disclosure Regulation ("SFDR").

- ◆ HSBC Global Investment Funds – Asia ex Japan Equity
- ◆ HSBC Global Investment Funds – Asia ex Japan Equity Smaller Companies
- ◆ HSBC Global Investment Funds – Asia Pacific ex Japan Equity High Dividend
- ◆ HSBC Global Investment Funds – ASEAN Equity

Each of the above Sub-Funds of the Company consider principal adverse impacts ("PAIs") on sustainability factors. The SFDR regulatory disclosures for the PAIs that are considered are detailed in the pre-contractual disclosure documents. These form part of the Prospectus for HSBC Global Investment Funds.

The Investment Adviser has carried out a review of the PAIs to consider their appropriateness for these Sub-Funds as well as considering the availability of data for reporting purposes.

As a result of this review, the Investment Adviser has considered that the following two PAIs are no longer appropriate for these Sub-Funds, particularly since there is insufficient data to make them relevant or useful to the reporting requirements.

The following PAIs will therefore be removed:

- Share of energy consumption from non-renewable sources
- Share of energy production from non-renewable sources

The following PAIs will remain:

- Greenhouse gas emissions (Scope 1 & Scope 2)
- Carbon footprint (Scope 1 & Scope 2)
- Greenhouse gas intensity of investee companies (Scope 1 & Scope 2)
- Exposure to companies active in the fossil fuel sector
- Violation of UNGC and OECD principles; and

- Share of investment involved in controversial weapons

Please note that the management of the Sub-Funds, their investment objectives and investment processes will not change as a result of the removal of these PAIs. These changes will be reflected in the pre-contractual disclosure documents and come into effect from the date of the next visa-stamped Prospectus, which is expected to be on or around 8 November 2023.

If you have any questions, please contact your local agent or HSBC Asset Management office.

You do not need to take any action.
